MORO, OREGON.

Official Paper for Sherman County

FRIDAY August 11, 1916

Entered as second class matter at the post office at Moro, Oregon, July 25, 1911.

C. L. IRELAND, Manager.

We would like to have you take it, and we know it would be profitable to you to become a subscriber.

Church and Society notices FREE, except when for money making purposes.

ADDITIONAL LOCALS.

Two Revolving Rod Weeders have been sold in this locality this month just because you can destroy your big weeds with the Revolving Rod Weeder and leave your ground in good condition.

Principal of Schools and Mrs. Dunton and baby returned home Tuesday, after spending their vacation in Woodburn and other valley towns.

Postmaster and Mrs. J. N. Parry left Monday last on their annual vacation, which will extend over two or three weeks and embrace Portland and other points of interest.

Dr. Turner, the well known eye specialist of Portland, will be in Moro again Thursday, August 17th, at Hotel Ellsworth.

What was evidently an attempt to burn the residence of City Marshal Clark for no other reason than pure devilry and to create some excitement, last Sunday night, was frustrated by the accidental passing-by of Barney Matison about 9 o'clock in the evening.

Rev. A. J. and Mrs. Adams returned home Monday last from their summer vacation of about three weeks' duration.

Grand Total \$92,648.13 This bill was introduced in the house recently by Congressman N. J. Sinnott and was passed by both House and Senate, and all it now lacks of becoming a law is the President's signature.

These claims of the settlers accrued through their entering upon lands granted to The Dalles Military Road company in 1867, which were declared forfeited by congress and opened under government authority.

OLD SETTLER'S CLAIMS.

A Complete List of Those Entitled to Share in the Distribution.

[It is with pleasure that the Observer publishes the following list of the beneficiaries of the bill recently passed by congress and the amounts they will receive from the government in settlement of their long delayed claims.

The bill provides that not more than 5 per cent shall be paid on account of attorneys fees, which fact those who thoughtlessly signed contracts to pay a higher commission should bear in mind when settlement is made.

Bud Fisher by Walt Mason
Bud Fisher jumped the old-time rut when he invented Jeff and Mutt. For years, with that amusing pair, he's chased away the people's care, and made them laugh and show their hats, and cackle till they broke their slats.
