

THERE is an economy wave over the land. American people are beginning to realize that they are living too fast, beyond their means. It has been the rule that the man with \$20,000 a year as well as the man with \$2,000 a year lives up to every penny of his income. Slowly but surely this order of things is changing. The era of extravagance and waste in business and personal expenses is nearing an end. Efficiency and economy is the order of the day. Bank deposits are growing.

It is up to every one to economize. The best and surest way to do so is to place your surplus in the bank. If you already have a bank account make it a point from today on to increase it. Add to it weekly, daily if possible.

IF YOU HAVEN'T A BANK ACCOUNT DECIDE TO OPEN ONE TODAY.

Royal Bakery. Bread fresh daily at the Moro Trading Co.'s store.

The usual Dorcas social for April will be next Wednesday at Mrs. C. E. Sheets.

Mrs. D. E. Stephens is expected to return home next week from Portland where she has been under surgical care.

Mrs. T. E. Hulery has received word that her brothers Homer and Charles, with their artillery company, sailed March 24th for France.

Soren Hansen was a Moro visitor last week from Kent. He has been suffering for some time with rheumatism and is considering a trip to Hot Lake to see if he can lose it.

Two heavy duty Denby trucks with trailers attached was delivered Wednesday to Manager Caldwell, of the Smith Farms, by Frank Carey, salesman for the Walther-Williams Co.

J. R. Hinshaw, the Spokane horse buyer, is in the locality looking for good mares and big mules. Any one having such stock for sale would do well to hunt him up as he always pays top prices for good stuff.

Prof. F. E. Dunton and family, accompanied by Mrs. Ruth Coleman, were auto visitors at The Dalles last Friday. Mrs. Coleman returned by train Saturday while Mrs. Dunton and children visited with Mrs. Dunton's brother while Mr. Dunton made a hurried trip to Portland.

"Over the Top in a Week" is the Slogan adopted for the state in the Liberty Loan campaign. Because of the large number of Sherman county people away from home, this will be hard to do in Sherman county, but we'll be among the leaders.

The page advertisement presented in the Observer this week in the interest of the Third Liberty Loan campaign is not entirely a matter of informing the public of a new Liberty Loan. It is a sign that the community of Moro is whole heartedly backing the local committee in this work and that each member of this community will respond by doing every thing possible to lighten the work of the committee.

Serious Auto Accident.

Monday evening shortly after seven o'clock George Crumley, agent at Wasco for the Standard Oil Co., met with a serious accident just north of Moro on the Wasco road at about 50 yards this side of the new concrete culvert.

He had stopped at the Moro Hotel for supper on his way home from Redmond as he was passing through town and after leaving the hotel had stopped at Foss & Co. for gasoline before continuing his trip.

It was noticed as he left town that he was traveling at an excessive speed and it is thought that the steering wheel got away from him as he hit a rut in the road, causing the car to turn completely over twice or more times and catching him under the car. The wind shield and steering wheel and post were wrecked, but little other damage was done the car.

J. F. Belshee noticed the accident and was the first one to give aid to the injured man, finding him unconscious in the road about 100 feet behind the car. He was taken to the Moro Hotel and Dr. C. L. Poley summoned, who could find no injuries except to his head, which seemed to suffer severely in the smash up.

Tuesday morning Mr. Crumley's pulse was more than twice normal and it was thought that he had but slight chances for recovery. He has remained unconscious and this makes it extremely hard to determine just how badly he is injured.

That same afternoon Dr. Morse was called in consultation and it was decided to take him to The Dalles where he died half an hour after his arrival at the hospital.

E. R. Hickson has accepted a position with the Farmers State Bank. Mr. Hickson formerly lived in Moro and comes back after several years spent in Portland.

E. W. Lewis has left his barber shop in charge of J. H. Kelly while he is this week "gone back to the farm" and is helping Al. Kirtley seed his acres to wheat.

F. E. Fagan and family were expecting to leave for The Dalles Thursday where Mrs. Fagan and children will visit while Mr. Fagan makes a business trip to Portland.

It only needed one week's notice in the Observer for Ira Axtell to find his Buick side curtain he had lost. One of the Messinger boys found it and left it at the DeMoss postoffice for him.

F. K. Wells, assistant state school superintendent, was in the county last week visiting each of the high schools for a day each, after that visiting as many of the rural schools with Superintendent Fagan as time permitted. Mr. Wells attended the local teachers' institute at Wasco on Saturday before leaving the county.

The local teachers' institute at Wasco last Saturday was above the usual in interest to the teachers, 44 of the 50 teachers in the county attending.

Next week Superintendent Fagan will have A. I. O'Reilly, assistant state club leader, as a special guest and the week will be devoted to visiting the 275 school children who are doing club project work in Sherman county.

The stores of Moro will follow as closely as possible the request of President Wilson and the new daylight time. They will have to do so to conform with the new time of railroads, postoffice, hotels, and schools. To make it as little a hardship as possible for their farmer customers they have decided to keep the Moro places of business open two nights a week, on each Tuesday and Saturday.

The Field Meet for Sherman county will be at Grass Valley this year on Friday, May 31st. That being the closing week of all the town schools. In place of the usual silver cup competed for formerly the association will this year offer a pennant to the successful school, the same to become the property of the school winning the field meet. In place of medals for the declamatory contest in the evening the awards will be two war savings certificates for first prize and one war savings certificate for second prize, in each of the three divisions. A base ball game will be part of the afternoon entertainment.
