

THERE is an economy wave over the land. American people are beginning to realize that they are living too fast, beyond their means. It has been the rule that the man with \$20,000 a year as well as the man with \$2,000 a year lives up to every penny of his income. Slowly but surely this order of things is changing. The era of extravagance and waste in business and personal expenses is nearing an end. Efficiency and economy is the order of the day. Bank deposits are growing.

It is up to every one to economize. The best and surest way to do so is to place your surplus in the bank. If you already have a bank account make it a point from today on to increase it. Add to it weekly, daily if possible.

IF YOU HAVEN'T A BANK ACCOUNT DECIDE TO OPEN ONE TODAY.

Sherman County Boy Praised

County Superintendent F. E. Fagan is in receipt of a letter from L. J. Allen, state pig club leader in the extension work of the agriculture and home economics service of the O. A. C., in which he states that Sherman county through Clarence Anderson, of Grass Valley, a son of Mrs. J. T. Ashby and a nephew of Mrs. C. L. Ireland, again scores in once more being a leader in war work activities. The letter from Mr. Allen is as follows:

Mr. F. E. Fagan, Moro, Oregon,
County School Supt.,
Dear Mr. Fagan:
Just received a letter from Clarence Anderson of Grass Valley, enclosing his Pig Club record book for this year. He kept the record of his pig four months and state that he recently sold them, making a net profit of \$44.64. I have written to Clarence and congratulated him upon his work, telling him that he has made the head of the list of Sherman County Club members to receive the achievement pin on your achievement this day this fall. He has kept an excellent record and his book is complete in every manner. I have just sent to all of the Pig Club members a poster to be tacked upon their gate post, which reads:

STOP!
A Club Member Lives Here
See My Pig
Trusting that everything is going well with you and congratulating Sherman upon having the Pig Club record in for this year's work. I am
Very truly yours,
L. J. Allen,
State Pig Club Leader.
