NO RED TAPE TO LIBERTY BONDS

A \$100 Liberty Bond is no less than a \$100 bill. It is made by the United States Government on the same kind of silk-paper used in making a \$100 bill. It bears the same guarantee written on a \$100 bill except it guarantees interest and names a definite date on which the face value of it plus accrued interest will be paid on demand.

The man, woman, or child who buys one Liberty Bond will buy more. A holder of a Liberty Bond realizes it is money and becomes anxious to get more.
