Moro School Report to November 3d

At the football game played between Moro and Fossil, at Fossil, Moro was defeated with a score of 20 to 6. Moro had very bad luck with their team as Captain Ellsworth was hurt in the game before and was not able to play and Mark Henkle was hurt in the first quarter of the game played Saturday, but managed to play the first half. After that Moro had to play with ten men, a full line but three men in the back field. In the last quarter Dale Lusk intercepted a "forward pass" and made a "touch down" which gave Moro her six points. Both teams enjoyed a banquet and dance in the evening. There will be another return game played at Moro on November 27th.

The Moro school held a general assembly on Friday, October 31st and a program was given by the 3d and 4th grades in honor of Holloween and Frances Willard. The prize winners of the themes written on Roosevelt helped to lengthen the program by reading their themes.

The school board has provided new student desks for the commercial room. These desks are especially appreciated by the book keeping department.

The prize winners in the High school for the best composition upon the life of Theodore Roosevelt were: Jessie Hoskinson, first; Bessie Andersen, second. We hope the girls will do as well in the county contest.

The Sophomores were the first class to appear in their new caps. They may be distinguished from the rest of the High school by their colors, old rose and gold.

Evans.
