An added attraction will be put on at Moro Theater next Saturday evening, February 28th through the courtesy of Morrow Bros. of Wasco, county agents for the Chevrolet automobiles. Moro is practically "over the top" on its allotment of electric light company stock and is well up on its subscription to the hotel company stock. Both are an assured go, altho it is a little doubtful whether Grass Valley will come into the schem and raise its quota. There is also talk of extending the line to Kent and this will most likely go through if the Grass Valley amount is taken at the last named city. This would give 24-hour electric service to all parts of the county and make the investment a certain dividend payer.

So it is written of Washington.

Few men—and they supremely great—may receive this high honor, a birthday nationally observed.

We cannot all be famous, but we may all be honored. The nearer we approach the character, the unselfish spirit that made Washington's personality what it was, the wider grows our circle of friends.
