**BUILD WITHOUT WASTE**  
and you **Save 30%** It's the American "production idea" brought to your home—a better house for less money.  
You cut out waste—waste of lumber and labor; the house comes to you with every board cut to fit its place—no hand sawing—no spoiled lumber and use-less ends.  
There's no high price labor—so simple you can do it yourself with unskilled labor.  
You know when you buy what it is going to cost—that responsibility is ours—all material comes to you complete in one shipment.
