Dr. C. L. Poley reports a daughter born to Mr. and Mrs. Henry Fuller on Saturday, April 3. Also that a son was born to Mr. and Mrs. L. C. Roberts at De Moss on the 6th.

Dr. Poley was one who enjoyed the rain storm of Thursday, insofar as the roads were concerned, being called to Shearer Bridge that day to operate on the hand of Mrs. J. W. Cochran.

Dr. Poley states that if R. C. Ornduff continues to improve as he has the last week, he will be able to be out of bed by probably Sunday. This is good news for the many friends of the Ornduff family.

Special Easter services were held Sunday by both the Presbyterian and Methodist Sunday Schools. That of the Presbyterian in the morning and that held by the Methodist in the evening. Both being well attended and of exceptional merit, presenting the message and thought of Easter to youth and age.

An 8-horse team and double disc got away from the driver on the Hans Thompson farm Friday while the man in charge was away gathering rocks to weight the machine so he could walk and keep warm. When he got back with the rocks the team was a half mile away and going nicely. All the damage was one single tree broken and the driver "warmed up."

Grain and stock farm of 2160 acres; 640 acres wheat land; 260 acres in fall grain; 20 head work horses, harness and equipment; 260 head of well bred cattle; close to reserve, headquarters within one mile of Dufur high school; carload of steers will be ready for June market shipment. Sherman county motorists have a new regulation to obey when using the highway between Hood River and Portland this summer. No auto parking is now allowed on the pavement, all four wheels must be off the paved road. Commissioners state this is done as a measure for public safety. If they will go a little further and curtail some of the encroachments of the big auto busses on the rights of others it would also be appreciated. One driver of a bus between Portland and Hood River, said locally to be the son of a commissioner of Multnomah county, keeps to the center of the road, takes curves on the wrong side, and generally disregards traffic regulations with seeming impunity.

The success of a family depends on their buying. In most families one person does the bulk of the buying, and it is that person's job to see that the money is well spent—that you get full value for your money. Now if you are counting on purchasing a bill of goods from some far off dealer and have to depend on a written description of his wares why not call on your local merchant, consult him as to price and quality. The Moro Trading Co., under its new store policy, is in a thoroughly reliable position, to meet any mail order prices.

Over Twice as Many to Educate But Only Half as Much Money to Educate With

That is why the Oregon Agricultural College, the State University, and the Normal School cannot maintain themselves on the old basis. In 1913 they

Had Only 2250 Students, but they Now Have 5400 Students

In addition, their income in 1913 had twice the buying power of their income in 1920, due to the worldwide rise in costs over which of course they could have no control.

The foregoing is one of many equally good reasons why you should vote for the Higher Educational relief bill at the election on May 21. Save the quality of higher education in Oregon, and give YOUR boy and girl, and YOUR NEIGHBORS', their rightful educational heritage.

Food for Reflection

THE man of discernment doesn't write a letter when a 'phone call would do; send a messenger when a telegram would serve, or trudge on foot when he could ride on a train. He utilizes the conveniences modern science puts at his disposal.

He doesn't handle his money in such a way that it's safety is uncertain; that he gets tangled up in wranglings and losses. He takes advantage of the protection and harmony a Checking Account guarantees.

New business invited.

Male and Female

Founded on J. M. Barrie's famous play, "The Admirable Crichton." Adapted for the screen by Jeanie Macpherson.

A picture that seizes the creatures of a mist "civilization," strips them of their false fronts and handicaps, flings them down in a land where nature rules, and says: "Try again, love again."

Come and see what happens!
A romance that searches deep into human hearts. A picture, poignant, powerful, tremendous in its scope, superb in its artistry—destined to rank as a thrilling climax to "Old Wives for New," "Don't Change Your Husband," "For Better, For Worse," "Till I Come Back to You," and all the other great De Mille achievements.
