The children will have an important part in the activities of the day. Miss May, Industrial Club Leader, is arranging for special games for the smaller children on another section of the grounds.

The Farm Bureau is furnishing the cups, plates, tin spoons, coffee, and sugar. No table linen will be needed. Bring your lunch ready to turn it over to the dinner committee.

The reception committee will present you with a card at the gate which will be good for an introduction to every one on the grounds. Be sure to come in time for the Band Concert.
