Notes From the Schools

At the student body meeting, Monday afternoon, it was decided to join the State Athletic Association.

A number of Moro High School students attended the volley ball game between Wasco and Grass Valley at Grass Valley, Friday evening. Those who went tell us that both schools have good teams and that it will keep us "a humpin'" to beat them.

Moro's first volley ball game will be played against Wasco at Moro on Friday, November 5th. We have a couple of fine teams and hope to carry away both pennants.

A yell practice was held Monday, November 1st. Nearly all of the High School turned out. Several new yell were suggested by the students and teachers.

A straw vote of the High School and the 8th grade was held in the library on election day. Polls were open from 12 noon to 1:30 p.m. The officers of election appointed by the president of the student body were Otis Messenger and Roscoe Moore, judges; Naomi Young, Marjorie Ginn, Herbert Ellsworth, clerks; Otis Messenger could not be present on account of the death of his sister so Jessie Hoskinson took his place. The complete returns are as follows:

President: Harding, 36; Cox, 12; U.S. Senator: Stanfield, 33; Chamberlain, 12; Congressman: Sinnott, 31; Graham, 14; On the state ticket the following candidates carried in the school: Koser, secretary of state; Bean, Benson, Lawrence McBride, justices of supreme court; Hawley, food and dairy commissioner; Corey, commissioner public service; Parker, circuit court judge; Robertson, state senator; Wright, state representative.

As to the measures the compulsory voting, regulating legislative sessions and payment of legislators, single tax, anti-compulsory vaccination, regulation legal interest rate, state market commission act, were voted down; oleomargarine bill, fixing terms of county officials, Roosevelt bird measure, and the amendment dividing the legislative session were approved by the students; the Port of Portland consolidation bill resulted in a tie; on the city ballot Thompson was chosen for mayor; Ornduff for treasurer; Wright, Kunsman, Harper carried the school for councilman for the two year term and Schade, Poley, Powell for the four year term.

Home Dollars turn the Wheels of Home Industry

Make the most of your home dollars by keeping them in your home county where they will help pay taxes, build roads, maintain good schools and generally benefit the community. This can best be done by patronizing home merchants.

Home industry depends upon a home bank for the necessary funds for paying home people wages and salaries, buying raw materials, and meeting necessary expenses.

You can help by depositing your surplus dollars in this strong bank where they will earn interest for you. In helping to turn the wheels of home industry, they add to the prosperity of every man, woman and child in the county.
