PE-RU-NA
For Coughs, Colds and Catarrh**

Mr. E. W. Marshall, Brampton, Michigan, suffering from Systemic Catarrh involving Head, Nose, Throat and Stomach, claims a complete cure. His letter is convincing: "For the past two years I have been troubled with systemic catarrh. I used several boxes of Pe-ru-na tablets and they have effected a complete cure. I do not hesitate to recommend Pe-ru-na for all catarrhal conditions."

Mr. Marshall is just one of many thousands who have been benefited by Dr. Hartman's famous medicine in the past fifty years. It is by stimulating the digestion, enriching the blood and toning up the system that Pe-ru-na is able to exert such a soothing, healing influence upon the mucous membranes which line the body. It is a wonderfully effective remedy to restore strength after a protracted sickness, the grip or Spanish influenza.

ARGENTINA LEAVES LEAGUE ASSEMBLY

Geneva.—The Argentine delegation withdrew from the league assembly. It was the first reef struck during the three weeks' deliberation which had been going on with reassuring smoothness until it got into a fog in the discussion of amendments.

Independence shown by Honorio Pueyrredon of Argentina in voting against postponement of consideration of the amendments and his breaking of the assembly's unanimity, with Senor Velasquez of Paraguay supporting him, were regarded as ominous of a stormy session, but the Argentine delegation's extreme action in withdrawing was unexpected.

There were two currents of opinion here. One is that the directing minds have too much neglected the feelings of the smaller powers and have erred in opposing discussion of the amendments; the other is that the Argentine delegation has been too precipitate in its action.

An amendment to the covenant to the league of nations eliminating article X, the most mooted section of the pact, was introduced in the assembly by Charles J. Doherty, Canadian minister of justice. The amendment will probably be referred to the committee on amendments.

Confidences.
The discouraging thing about telling a friend about an interesting thing like your own troubles is that it reminds him of his and he has to tell about them, as if anybody cared.

The Telephone Company Desires

- To give good telephone service.
- To keep its property in good repair and expand it to meet the requirements of the public.
- To pay wages sufficient to maintain an efficient and contented organization.
- To earn a revenue that will enable it to borrow the money absolutely necessary in its operations and to afford a reasonable profit to its owners.

In the State of Oregon today our earnings are insufficient to accomplish these results and we have asked the Public Service Commission of the State to approve a schedule of rates which we believe will provide the added revenue required.

No question of stocks, bonds or capitalization is involved. The Commission will base its decision upon a fair value of our property for rate making purposes and our earnings and expenses.

We believe that the public, realizing the benefits of adequate telephone service, will support this effort on our part to insure the maintenance and development of a high standard of telephone communication.

"for clean oil in a clean engine"
Inside facts on a dirty job!

YOUR ENGINE requires an internal bath frequently. Road dust, carbon from the combustion chamber, and fine particles of metal worn from the bearing surfaces get into the lubricating oil in the crankcase. All this dirt circulates with the oil through the engine. If it isn't drained out regularly there's bound to be excessive wear and tear. Gasoline also escapes past the pistons and dilutes the oil. Modern Crankcase Cleaning Service gets rid of the dirty, diluted oil.

flushes the crankcase thoroughly and refills with clean, fresh oil. The garages listed below are now equipped to perform this needed service quickly and for a nominal charge. We use Calol Flushing Oil, which cleanses thoroughly without danger of contaminating the fresh Zerolene refilled into the cleaned crankcase. TODAY: Bring in your car for Modern Crankcase Cleaning Service. It will result in better engine performance and longer life for your car.
