The 21st annual convention of the

A change in the arrangements has
been made so that the supper for the
Mask Ball to be given at the Opera
House in Moro on February 22d will

agement. It goes without saying that
a bountiful and tasty supper will be
served.

While in Moro last week at special
work at the Elevator building, D. H.
Wright caught cold that rapidly de-
veloped into a severe case of near
pneumonia and which caused him to
stay abed for the better part of a
week. He is now able to be about the
house.

Large audiences were in attendance
at the Presbyterian church last Sunday
and especially considering the bad

Those present at the Dorcas social
at the Freeman home last Wednesday
report an exceptionally good time.
The occasion was treated as a Valen-
tine social, the rooms being decorated
with hearts. A competitive game of
hearts was one part of the afternoon
entertainment at which Mrs. W. B.
Johnston and Mrs. McKiever excelled.
Refreshments were served, consisting
of ice cream, cake, and coffee. About
sixty attended. Mrs. Freeman was
assisted as hostess by Mrs. Havis
Brisbin.

Mud baths are generally considered
healthful; there are places where
people go for miles to take them under
doctor's orders. But this was not in
the bargain when T. W. Alley, Frank
Burnett, Roy Kunsmann and Sheriff
Christman started Wednesday for the
Hoskinson farm, where Sheriff Chris-
man went to conduct a sale and the
others as spectators thereto—and the
joys of the ride. Frank Burnett
voiced the experience of the party on
their return when he said: "Believe
me I had the time of my life; the
road was all mud and the wheels of
the truck threw it twenty feet in the
air; all looked alike when they got to
the farm and felt better when we got
back; but I never laughed more all
winter than I did that day."

Will You Trade?

PE-RU-NA

A Great Medicine

Mrs. M. J. Hilley, R. R. No. 1, Box 101, Cal-
vert, Tulsa, writes:

"I have used Pe-ru-na and know it is good
for colds, coughs and catarrh. It cured my
catarrh and I do not take cold when I use
Pe-ru-na. It is a great medicine."

During the last fifty years, Pe-ru-na has been
looked upon as the reliable medicine for
catarrh of every description, whether it be of
the nose and throat, stomach, bowels or other
organs.

By keeping Pe-ru-na in the house for emer-
gencies, serious sickness may frequently be
prevented. Use it after the grip or Spanish Flu.

TAXES WE CAN REDUCE

Over 150 Years Ago
Benjamin Franklin Said

"Friends, the taxes are indeed very heavy
and if those laid by the Government were
the only ones we had to pay, we might
more easily discharge them, but we have
many others, and much more grievous to
some of us. We are taxed twice as much
by our idleness, three times as much by
our pride, and four times as much by our
folly; and from these taxes the commis-
sioners cannot ease or deliver us by allow-
ing an abatement."
