were then visiting in quaint old New
Orleans and expected to leave shortly

We're Making History

With the Easter Season we come again to
the open doorway of Spring—a Season of re-
newed life and activity is ahead of us.

This Spring the Nation has a new President
to guide its affairs. He needs the support
and cooperation of all its citizens.

Suppose we remember, as we take up this
new Season's activities, that the eyes of the
world are upon us. We are making history
in the way we shoulder our responsibilities.

Let's write a record that the whole world will
read and admire.

*This Institution is ready to do its
share, through its service to in-
dividuals and the community.*
