Be An International Farmer

Buy International machines for the most successful operation of your farm, then keep them 100 percent International as long as they last by using only Genuine I H C Repairs. Be an International Farmer, and we will back you up by International Service, which is prompt, dependable and permanent.

What an Experienced Farmer Knows

Any farmer of experience can tell about how long his farm machinery will run before the parts that need replacement will wear out. These include, with many others, shares, shovels, guards, knives, sections, blades, teeth, etc.

Order Repairs Early

All these items should be listed and ordered early, far in advance of the time when they will be needed. You will save time and money by ordering all the repairs at one time. This will save you money later in the season, when you may be obliged to pay for long distance telephone calls, and express or parcel post charges on numerous small orders.

When Delays Are Expensive

And, what may later prove much more costly than these charges, is the time lost waiting for repairs just when the implement should be working to capacity in the field.

As the International Dealer, we Maintain an International Service Station for Your Convenience

Highway Engineers Visit County

Herbert Nunn, chief engineer, C.C. Kelly, assistant chief engineer, in charge of all highway work in Oregon and J. H. Scott, division engineer with headquarters at The Dalles, were guests at luncheon at Hotel Moro on Monday of this week. They met, while here, informally with County Judge McKee and State Representative A. M. Wright, stating that the main business of the trip was a thorough going over of that section of the California highway known as Cow Creek Canyon, south and west of Shaniko. They were also rather closely inspecting the probable route of the Sherman Highway with a view of surveying it at once and getting it under contract by some time in early July. They left the impression that at least twenty miles would be under contract this summer and, also, that very few changes would be made in the route at least as far south as Moro.

"The Valley of The Giants"

It is confidently asserted that "The Valley of the Giants," which is Wallace Reid's Paramount-Artcraft picture to be shown at Moro Theater Saturday, is a photoplay that will transport the spectator into the land of the big redwoods of northern California. The story, which is one of apt. Peter B. Kyne's most charming and masterful creations, deals with life in the big tree country. There are found great and noble specimens of manhood, strong in mind and body, as invincible to greed and hatred and dishonesty as the big trees themselves.

Mr. Reid plays the role of a young man who has promised his father to protect, at all personal risks, a beautiful forest glade known as The Valley of the Giants, which had been a gift from the father to his wife before her death. Col. Pennington, an unscrupulous and cunning rival of the young man's father, tries to get possession of this property.

How the property is almost lost and then finally recovered after a series of thrilling incidents, is graphically depicted. A beautiful love romance is woven into the story and it is considered to be one of the best in which Mr. Reid has been seen in many months.

Notes From Moro School

The Sophomore play entitled "Mr. Bob," will be given May 13th. We hope to see a large crowd. This will be the first play the Sophomores have been in and they hope it will be a success. The cast of characters are: Philip Royson, depicted by Orville Hoekman; Mr. Brown, Owen Elliott; Jenkins, Edmund Stephens; Miss Becky, Mildred Ginn; Katherine, Marguerite Foss; Patty, Opal Powell; Marion, Cora Stewart.

The Sophomores have two pennants, one is 18 by 36 inches and the other 4 by 8 feet. The small one is in the Sophomore room and the large one in the hall with the rest of the pennants. They are quite proud, because their pennant is one foot larger than the Juniors'.

The Girls' Glee Club was said to be a great success. The funds were over \$35. After paying the bills the remaining money will be turned into the High School Student Body fund.

The baseball game with Lone which was to be played here Saturday the 23rd was cancelled at the last moment. It is not probable that either of the lone games scheduled will be played.

There are two baseball games this week, one at Grass Valley on Friday and the other here against Wasco on Saturday. The Wasco game was arranged for Tuesday. It is sure to be a good, fast one. Next Saturday the nine will go to Fossil.

The new Junior pennant has arrived at last. It is a big affair, measuring seven feet eight inches by four feet. The Juniors are justly proud of their pennant, although the Sophomores do use most of their valuable time making fun of it.

The annual Field and Track Meet and Declamatory Contest will be held at Grass Valley on Saturday, May 21. The districts that will compete are: Wasco, Grass Valley, Moro, and Kent. All the small schools of the county are grouped around these larger ones. The contestants for all events from the various districts will be chosen this week at the local meets.

The state examinations for the 8th grade will be given on May 12th and 13th. Thursday morning, the exam in arithmetic and writing will be given and Thursday afternoon that in history, agriculture, and spelling. Friday morning, the pupils will be examined in physiology and language and that afternoon in geography, civics, government and reading.

Next Saturday, when the boys go to Fossil to play baseball, they will also take part in the Fossil Track Meet. This is an annual event, which is attended by the crack men from all North Central Oregon high schools.

E. A. Race was visiting in Moro this week from Mosier.

IN MEMORIAM

Goodrich D. Boardman, an early pioneer farmer and settler of Sherman county, died at his home in Portland April 28th. Mr. Boardman was a sufferer for the past nine years, following a paralytic stroke. He is survived by his brother, Charles Boardman of San Francisco; his widow, Mrs. Elizabeth Boardman of Portland; four sons, Charlie, of Kent, Sherman county; Bert, of Portland; Frank, of Oregon City; Elmer, of Forest Grove; and a daughter, Mrs. Carrie Waygant, of Canby. He also leaves 14 grandchildren. Boardman school, southeast of Moro, was named for him and is built on land donated by him for early school facilities in Sherman county.

Rev. Julian Hatch, known to many Sherman county people, died at his home in Forest Grove April 21st aged 87 years. Mr. Hatch was a civil war veteran, serving with the First Michigan engineers. By trade he was a cabinet maker and at one time was employed with the Singer Sewing Machine Company. While living in Nebraska he was ordained to preach by the United Brethren church, later affiliating with the Presbyterian denomination. He did missionary work in Nebraska and later in Oregon. R. C. Byers, of Moro, is a son-in-law by a former marriage. Miss Juli Hatch, missionary to Siam, is a daughter.

Mrs. Guy Channess, after an illness of nearly two years, passed away at Wasco on Wednesday, April 20th. Funeral services were held from the Christian church at Wasco, Rev. W. A. Givens preaching the sermon. Mrs. Channess was a daughter of Mr. and Mrs. G. C. Young of Kent.

H. A. Thompson, a former resident and pioneer farmer of Sherman county died at his home in Portland April 26th. He was a member of Moro Lodge No. 113, I.O.O.F., joining while a resident of Moro June 15th, 1892.

Kent News Letter

Don't forget the big local try-out at the school on this Friday evening. Every body is invited to come.

Mr. and Mrs. Chas. Boardman was called to Portland on account of the serious illness of his father, who died shortly after they arrived.

The DeMoss Sunday School will visit with the Kent Sunday School next Sunday, May 1st. The Kent Sunday School will have special music and also will be assisted with the musical program by the DeMoss family and the DeMoss Sunday School. It will be an all-day occasion, so bring your lunch baskets well filled. Every one is invited to any or all of the day program.

Miss English was a passenger for Moro on the Monday morning train.

Jerry Wilson "wps" in the chicken business, but now he isn't.

Mr. and Mrs. Orcutt have moved to town.

Several Kentites left in the "wee sma' hours o' Sunday" morning to fish. But, sad to say, they arrived home late that evening, but with none of the finny tribe as trophies of their skill. Better luck next time.

Mrs. Boyer's sister, from Ohio, arrived on Saturday's train.

Der Goat has been on the sick list the past week.

Don't forget the local school try-out Friday evening.

The baseball game between the local nine and Dufur, home grounds, was won by Dufur last Sunday. Score 9-5.

The usual Ladies Aid Social for May will be held Thursday afternoon, May 2d, at the home of Mrs. A. M. Wright.

Laundry left at the Moro Hotel Barber Shop will receive careful attention. Bundles must be in by Monday noon.

The owner of a fountain pen can have it by calling at this office, paying for this ad and leaving a reward for the boy who found it and brought it to the office.

I have taken the agency for Hood River Laundry. Leaves Tuesday mornings, back Friday afternoon. Bundles left at my barber shop will receive careful attention. Chas. W. McKinney, Moro.

A meeting of all who have signed the Ellison and White contract for a Summer Chautauque is called to meet Friday evening, May 6th, at 7:30 at the home of George DeMoss. W. L. Dillinger, secretary.

The J. C. Penny Company of The Dalles have arranged to have on display in the Ladies Rest Room of the Hotel Moro on Saturday of this week, a very complete and up-to-the-minute showing of Ladies Ready-to-Wear garments, consisting of Coats, Suits, Dresses, Skirts, and Blouses. All who are interested in observing the latest in all such apparel are invited to call.

Word was received this week at the Observer office from Chas. Bullard, who has been spending the winter months at Pasadena, California, stating that they expected to leave for their Sherman county home about May 1st, coming by way of Klamath Falls, Bend and Camp Sherman on the Metolous river. They will visit at Fresno with C. A. Todd and family and make a side trip to the Yosemite Park and to the Big Redwoods before leaving California. He says in his letter that there had been some heavy frosts at Pasadena, but when writing the weather was fine.

DENTAL HYGIENE

One of Series of Articles Written Specially For the Observer by Dr. Howard Gove

Health Rules

It is a well established fact that the mouth and throat are the main great channels of infection for a great many diseases. Teeth containing large cavities are favorite breeding places for infectious microbes to lodge and increase. Some of these microbes, such as pneumonia, are normal inhabitants of the nose, throat and mouth. Only becoming virulent when their host is reduced in vitality by a cold, fatigue or some other condition.

This indication carries with it the indication for prevention. The great point to remember is that there is no sure means of prevention save by strict attention to personal hygiene. For the individual to protect himself and others he must keep a clean mouth, avoiding pyorrhea and other dental diseases.

It is a well recognized fact that the pus germs associated with pyorrhea are the direct cause of many disorders such as stomach and heart trouble, rheumatism, and a general lowering of the vitality. Many trips to hot springs would be avoided if the mouth was in proper condition.

Eating is also the cause of a great deal of ill health. Over eating is as injurious or more so than improper masticating of food. When colds are "going around" eat very sparingly, chew the food well and notice how you will avoid taking cold.

For Sale at a Bargain

One small stationary threshing outfit, consisting in part of a separator, gasoline engine, cook house, etc., one Studebaker car; one fresh milk cow; two incubators. Inquire of Susie I. Hastings, r.f.d., Moro, Oregon.

Farm for Sale

One of the best parcels of land ever offered for sale, at the price, in Sherman county. 1600 acres, all fenced and cross fenced to the best advantage. A combination grain and stock proposition. The finest of water and abundance of it. Twelve hundred acres under the plow and more good tillable land. All buildings in good shape. New machine shed 24 x 100 feet, half inclosed, making a good work shop. Price \$30 per acre, \$10,000 will handle. Balance half crop payments at six per cent interest.

Address owner, C. A. Buckley, a18tf Grass Valley, Oregon.

Real Bargain Days for the Man Who Builds

Rents are as high as ever, yet lumber and building materials have come down with a crash.

Our prices are lower by half than those of a year ago.

For the man who plans to build, repair, or remodel, this is certainly a favorable time.

The country as a whole is years behind in its building program. Our own city needs several homes to bring conditions back to normal.

People must build, soon, and increased building is sure to bring higher prices. The present situation is the result of forced selling by manufacturers who are over-stocked.

These manufacturers were caught by the lull in buying and they must convert their stocks into ready money. In many cases they are selling at cost. When building begins again they will be quick to ask their legitimate profits once more.

We Have a Big Stock of Building Materials, Including All Kinds of Lumber, Shingles, Roofing, Plaster, Lime, Cement, Lath, Wood and Coal.

Our prices are right. Take advantage of the opportunity. Come in and see us today.
