You Can Write a Book

When someone asked Mark Twain which
was his favorite of all the books he had
written it took him just about half a
second to answer, "My Bank Book."

Everyone can write a book—not like Huck
Finn, perhaps—but on the style of Mark
Twain's favorite, the true story of one who
keeps his money matters in good order
and does not forget Tomorrow in the ex-
citement of Today.

Your bank book tells your story. Perhaps
our officers can help you make it good
reading.
