**Hydro-Toron Tires**  
WEAR ONLY ON THE OUTSIDE

Driving on Hydro-Toron tires will give you a new experience—a pleasing certainty of uninterrupted mileage that is not possible with any other tire. They simply won't go down until they have delivered their full quota of mileage—and frequently exceed that quota. Let us prove these claims by putting one, two or four tires on your car now.

**TORON (No-Rot) FABRIC**  
Every layer of fabric is treated with Toron, which has a definite affinity for rubber and resists the damaging effects of water and air. The holding power of layers to each other, of tread and cushion stock and all parts of the tire, is vastly increased—40 per cent greater, in fact, than in average tires. Toron fabric has much greater tensile strength than fabric not so treated.

**INTERNAL HYDRAULIC EXPANSION**  
This new process makes it possible for us to say that Hydro-Toron tires are in practically all cases unblemished; that there are no "seconds," that separations, so near unknown that we are able to guarantee 10,000 miles of road service against these common troubles. It means that Hydro-Toron tires are perfectly vulcanized, both inside and out.

**Big As Cords—Better Than Cords**  
Toron fabric not only prolongs the life of tires on the wheels, but prevents spare tires and tires on the dealer's racks from going bad. The Toron inside the tire—fabric and rubber—against the different forms of deterioration. Remember, the 10,000 mile written guarantee protects you against stone-bruises, rim-cut and blowout.

**The Cost of Rotting Buildings**  
now running into millions

ROTTING building is absolute waste, because a small investment in paint will save it. A building that is not protected by paint must either be rebuilt or repaired in a few years at a costly figure.

Check the costs. Compare the prices of paint and lumber. Can you afford to bear the expense of rebuilding or repairing your home, when to save it costs so little?

When you paint, make an additional saving by using the best paint. It spreads easily—saves labor cost. It covers more surface per gallon than "cheap" paint.

But more important, the best paint serves five or more years longer than "cheap" paint.

**Free Advice on Painting**

Ask our agent for advice, color cards, etc.

Ask the Fuller Specification Department about the most desirable color schemes, color harmony and any other details.

Observer advertising pays.

Robt. Urquhart and W. H. Ragsdale were visiting near Bickleton, Wash. during the week.

Mrs. Walker mother of W. M. Walker, manager of Hotel Moro, is visiting in Moro from Portland.

Benson & Son, concrete contractors, are building a retaining wall for L. L. Peetz at the site of his new residence recently completed by O. A. Rimsay.

Private board; \$30 per month.  
Mrs. Giday N. Buxton, Moro.

Left an "Imprint."

While in my sophomore year at college I was acting in a play in our assembly hall, writes a correspondent of the Chicago Journal. It was a sort of Romeo and Juliet affair written by the mother of one of the students, and, as in most plays, we were "made up" lavishly. In the midst of the love scene, I being the Juliet of the performance, was just kissing the Romeo, when to our surprise, the audience burst into shrieks of laughter. Then I discovered the cause. On the cheek of Romeo was a little round red spot—the imprint of my kiss!

**FOR COUNTY COMMISSIONER**

I hereby announce myself as a candidate for the republican nomination for County Commissioner of Sherman county, at the Primary Nomination to be held May 19, 1922. If nominated and elected I will give the taxpayers of Sherman county my careful attention for a businesslike administration.

J. J. Wiley.

**NOTICE OF SALE**

Notice is hereby given that I will on Wednesday, May 10th, 1922, at 10 o'clock a. m., at my ranch, near the Fairview School House, in Sherman County, Oregon, sell the following described personal property, to-wit:

One bay mare, about 3 years old, branded either ED or EN on the left hip, the brand being too dim to tell exactly what it is, weight about 900 pounds, the animal being some kind of light saddle stock.

Also one dark brown gelding, aged about 3 years, branded either ED or EN on left hip, the brand is not plain, weight about 1000 pounds.

That said animals came to my place about September 25, 1921 and I took them up on or about February 28th, 1922; that said animals will be offered for sale at the time and place herein mentioned to satisfy damages, costs of keeping and all expenses incurred including justice fees and costs of advertising and sale and such other costs and expenses as may have been regularly made.

Dated at Moro, Oregon, this 21st day of April, 1922.

Verne Coe.

**MUSICAL ENTERTAINMENT OF UNUSUAL MERIT**

The Dalles Municipal Auditorium  
WEDNESDAY, APRIL 26th

Seldom have the people of this district had the opportunity to enjoy musicals of the excellence of the one which will be open to them on the evening of Wednesday, April 26, when Professor Blair, noted violinist; Miss Eva Richmond, soprano soloist, and Miss Gladys Bolee, vivacious and pretty dancer, will entertain in a program in which the world famous pianist, Sergei Rachmaninoff, Leopold Godowsky, Adolphe Borchard, and others, will be heard on the unparalleled Ampico piano. This will be an entertainment which will delight all lovers of good music, good singing, and interpretive dancing. In musical centers, a high class entertainment such as this will be, would justify admissions of several dollars, but you can procure reserved seats for this one for 75 and 50 cents, and general admission 35 cents. A special section will be reserved for school children for 25 cents, and all of the proceeds will be given to The Dalles municipal auditorium fund. Phone or write for reservations to

**Moro Defeats Condon, 10-2**

The local baseball club journeyed to Condon last Sunday and, despite the snow, hail and wind storms, defeated the Condon stars by a score of 10-2. The caliber of the game was high, considering the weather. Lefty Schwartz in the box for the locals proved to be very effective against the reputed Condon sluggers, allowing only three hits during the game, and striking out fifteen. Clow of Wasco fame occupied the box for Condon but his jovial nature was too much for the Moro players so they relieved him of 19 hits in the nine innings. Clow walked two Moro men and hit two, which shows what brand of ball he was producing. The Moro team started to the man. Krackie behind the bat for Moro played a wonderful game and in the course of the afternoon's exercises he went back for a couple of foul tips that looked almost irrecoverable, but returned safely with them in his mit. He also starred with the bat, slamming out two 2-baggers.

A large crowd of fans accompanied the team and everyone feels well repaid with the struggle with the elements.

Arlington meets Moro here next Sunday and a high class brand of ball is to be expected.

A summary of the Condon game is as follows:

	R	H	E
Condon	2	3	5
Moro	10	19	3

Struck out by Schwartz, 15; by Clow, 11. Walked by Schwartz, 2; by Clow, 2. Two-base hits, Krackie 2, Clark 2, Weedman, all of Moro. Three-base hits Schwartz, Moro; Fortier, Holwagger, Condon.

**Church Items**

In connection with the post-Easter sermon next Sunday morning at the Presbyterian church Mrs. J. G. Harper will sing a solo appropriate to the subject.

The missionary meeting will be held next Wednesday afternoon at the Presbyterian church, the subject being "The Negro." Letters from the mission field will give news of the latest work done by the missionaries.

The union meeting next Sunday night will be in the Presbyterian church and the sermon will be preached by Rev. H. G. Hanson. The afternoon of that day he will preach at Gorman.

Sunday morning at the Presbyterian church the pastor will preach on "A Living Christ." This post-Easter message should be a helpful continuation of the message given to the children last Sunday. The Sunday School meets as usual at ten.

The Presbyterian Sunday School last Sunday morning gave a splendid program to a packed house, about 265 people being in attendance. In connection with the service, Mr. Martin Melzer and Mr. R. C. Byers were ordained and installed elders of the church. At the same meeting Christian baptism was administered to the following: Lois Edna Melzer, child of Mr. and Mrs. Martin Melzer, Vernon Carl, child of Mr. and Mrs. Carl Melzer, Mary Janet and Thomas Dean, children of Mr. and Mrs. Harry Pinkerton.

Next Thursday evening, April 27, the film "Allice in Hungerland" will be shown at the opera house at eight o'clock. This is a very vivid illustration of the work done by America, and especially the people of Oregon in caring for the starving children of the Near East last year. Mr. J. J. Handsaker, who had charge of taking this film in Syria and Armenia last December, is going to be present to tell of his experiences at that time.

This evening opens the Near East drive in Moro and vicinity, which takes place throughout the county that week. The film and lecture will be given in Wasco on Monday night, in Kent Tuesday night, and in Grass Valley Wednesday night. The showing of the picture is free and everyone is cordially invited.

For Sale—Restaurant business and equipment. Will rent or sell 2-story building. Reasonable terms. H. J. Warn, Bee Hive Restaurant, Moro.

Strayed: One red hog, weight about 130 pounds, and one redish dark-spotted hog, weight about 130 pounds. Have been gone since Monday. Notify Douma Bros., Moro, Oregon.

County representatives wanted in every county in the Northwest to represent a strong line of metal grain bins and other metal farm conveniences direct to the farmers, and irrigation and drainage specialties to such users. Position permanent to good salesman with automobile. In answering give age, selling knowledge and references. Now is the time. Coast Culvert & Flume Company, Portland, Oregon.

Equality. Equality is the dream of a madman, or the passion of a fiend. Extreme inequality, or high comfort and civilization in some, coexisting with deep misery and degradation in others, is no less also a folly and a sin. But an inequality where some have all the enjoyments of civilized life, and more are without its comforts, where some have all the treasures of knowledge, and none is sunk in ignorance, that is a social system in harmony with the order of God's creation in the natural world.—Dr. Arnold; "The Operative Classes."

**OREGON NEWS NOTES OF GENERAL INTEREST**

**Principal Events of the Week Briefly Sketched for Information of Our Readers.**

The Dalles' new \$225,000 municipal auditorium was formally dedicated Friday.

The Columbia river is beginning to rise from the melting snow near the headwaters.

Federal farm loans totaling \$67,900 have been made in the Boardman irrigation district.

The annual county fair of the Canby high school took place in the high school gymnasium Friday night.

The Eugene hospital, with a capital stock of \$50,000 and headquarters in Eugene, has been incorporated.

L. H. Compton, warden of the state penitentiary announces that the population of the institution now totals 474.

Extensive logging operations are under way now on a big tract of timber in the Santiam national forest near Detroit.

H. H. McSherry, 41, logger of Gladstone, was burned to death in his room in the Northwest apartments in Portland.

The public service commission will hold a hearing in Klamath Falls Thursday on the proposed increase in insurance rates.

Plans for the construction of a \$100,000 apartment house were announced at Roseburg by George Kohlhagen, a local business man.

Surveys are being made for a new power line from Albany to Dallas, which will be constructed by the Mountain States Power company.

Governor Olcott in a letter urges the people of Oregon to join in the observance of the 100th anniversary of the birth of General Ulysses Simpson Grant.

The new rail automobiles which will carry approximately 30 passengers each, and a new locomotive have been ordered by the Mount Hood Railroad company.

In spite of the fact that the broccoli crop is coming on slowly, more than 40 cars have been shipped out of the Umpqua valley to date. Weather conditions have caused the heads to ripen slowly.

J. L. Wilson, formerly engaged in the lumber brokerage business in Eugene, was arrested at Duluth, Minn., on a warrant charging him with forging the indorsement to a check for \$417.88 and cashing it.

Negotiations are under way for the purchase by Frye & Co., Seattle packers, of the packing interests of Swift & Co. in Portland, it is said. The Portland plant is valued at between \$3,000,000 and \$3,500,000.

More snow is on the ground near Crater Lake, in Crater Lake National Park, at the present time than for a number of winters past, according to men who have been within a few miles of the park boundary lately.

Improvements on the highway between Independence and the connection with the Salem-Dallas highway are in progress. The road, which is unpaved except for about two miles out of Independence, is being leveled.

Crews have begun removing old houses from a seven-acre tract purchased by the Oregon Nature Lovers' club on the Columbia river highway near Hood River, and the work of building a clubhouse will be begun next week.

Money due the state as the result of loans from the common school, rural credit, agricultural college and University of Oregon funds aggregates \$7,570,676.87, according to a report prepared by George G. Brown, chief of the state land board.
