Because of failure of the express company "Sentimental Tommy" was not put on at the Moro Theater last Saturday night as advertised. By special arrangement this will be shown for this Saturday night. It is an unusually strong one. The vaudeville put on by the Northwest Mounted Police and "Sentimental Tommy" makes a bill well worth the admission.

Next Sunday evening the union service will be held in the Methodist Church. Rev. Henry G. Hanson will give a second sermon lecture on the Bible, this time taking up the "Book of Exodus." Those who heard the one two weeks ago on the "Book of Genesis," and who liked the innovation need not be asked to come back. The thrilling stories of that age are worth hearing and studying over and over again.

M. G. Melzer and family returned Wednesday from a weeks auto trip to places in the Willamette valley. They visited Sherwood, Portland, Vancouver, Astoria, and Seaside, taking a dip in the mighty Pacific ocean. On the going trip they had Mr. Melzer's parents as guests as far as their home at Sherwood. On the return trip Mrs. Dewey Thompson accompanied them from Portland, where she had been visiting her parents.

Clare Axtell says he was one of a party returned Thursday last, that had a thoroughly enjoyable fishing trip to the Crooked river section of Deschutes county. Clare says the party returned with 286 fish, but we only have his word for that assertion. He said every member of the party got something on the trip; his father, J. M. Axtell, did not have very good luck fishing, but then Clare says it was ended up nicely by the large amount of sand his shoes accumulated sliding down the sand banks of Crooked river.

The happy couple left by auto immediately afterwards for a short honeymoon.

MAKING THEM AMERICANS

How few of us realize the importance of making over the foreigner—of implanting American ideals, ideas and common sense in place of socialistic and maybe anarchistic theories. It means a lot to every American citizen. This work and many other interesting activities of the Department of Labor are discussed in the twelfth issue of the series of beautifully illustrated booklets on Our Government which we have been distributing to representative citizens of this community.

If by any chance you have failed to receive regularly your copies of this series that has been so favorably commented upon, visit us today and from the limited supply on hand we will gladly complete your set.
