MAKING THEM AMERICANS

How few of us realize the importance of making over the foreigner—of implanting American ideals, ideas and common sense in place of socialistic and maybe anarchistic theories. It means a lot to every American citizen. This work and many other interesting activities of the Department of Labor are discussed in the twelfth issue of the series of beautifully illustrated booklets on Our Government which we have been distributing to representative citizens of this community.

If by any chance you have failed to receive regularly your copies of this series that has been so favorably commented upon, visit us today and from the limited supply on hand we will gladly complete your set.

Grocers Recommend Albers Quality the hotcakes of the West

THESE ARE WARM Days. Without some of these days we would not have any harvest time.

NOW HARVEST TIME'S COMING and it is not far off. No doubt you are going to need some harvest supplies for your cook house. We have the things you will need, and you know that our aim is to have a complete stock in quantities to supply everyone, and at the lowest prices. Now, before you purchase this supply of goods, bring your order to us and let us submit our prices and compare our qualities.

We know that as in the past you will be absolutely satisfied in the future.

WHILE YOU ARE LOOKING over your combine and tractor, bear in mind that we have the canvas for patching or for making

new dog-houses, straw-dumps, drapers and curtains. A good weight six feet wide, and a real heavy one forty inches wide. Then don't overlook the canvas bed-sheet tarpaulin.

HOW ARE YOUR WATER BAGS? We have a good supply of water bags in different sizes.

Do you watch our bargain tables? You want to keep an eye on those this week for extra special values. Don't miss them.

HAVE YOU GOT THOSE NEW barefoot sandals and Cute Kut rompers for the children? Sandals are on special sale at this time. Don't overlook them for cool harvest wear.

The boys who got our lunch goods for their fishing trip caught some fish. You know a satisfied appetite gives a fisherman more patience.
