FRIDAY, October 20, 1922

No place on the globe will you find as big-hearted, generous and noble people as reside in this old town. They are not much on dress parade. They do not all wear silks, but they have hearts as big and warm as ever pulsated in human breasts.

The best way to build up a city is for each and every man in it not to strive to read and tear down. Whenever a man is doing well in town do not try to tear him down. All the residents of a town are partners, not opponents. In all likelihood the more business done by your rival the more you will do.

Senator Robertson, in his article in this week's Observer, calls attention to the voter's responsibility to himself and to the state. The unthinking voter is the one who saddles himself with tax burdens. The man who weighs his vote and its effect when cast is the one who will deliver this commonwealth from the load it now carries.

CHURCH NEWS
Notes of Interest to All Local Denominations

The religious education course on Wednesday nights is maintaining its high interest as shown by the large attendance at its sessions. The fourth topic is "Weekday Religious School," and will be led by Reverend Hanson. In view of the growing interest in this phase of religious education a large attendance of parents and educators is especially desired.

Next Sunday morning at the Presbyterian church Rev. H. G. Hanson will speak on "Taking God Seriously." Special music will be rendered as a feature of the service.

The usual young people's meeting will take place in the Presbyterian church next Sunday evening at 8:45. The subject will be "Reverence and Worship."

Rev. U. C. Smothers will speak at the Union meeting Sunday evening in the Presbyterian church.

Grass Valley won the silver cup for first in the school club booth contest. Moro won second place. If Moro had won first this year the cup would have been the permanent property of Moro school, it having been won twice before by Moro.

ROBERTSON WILL VOTE AS PEOPLE SAY ON FAIR BILL

Senator Outlines Facts to Voters of 18th Senatorial District

To the Voters of the 18th Senatorial District: As one of your representatives in the Legislature, I desire to make clear my position pertaining to the 1927 Fair measure upon which you will vote at the November election.

The measure provides for the raising of three million dollars by special levy upon the Portland tax payers for the purpose of financing said fair.

If, throughout the state an affirmative vote is recorded, the committee in charge will at the next session of the Legislature offer a bill asking for an appropriation of an amount sufficient to provide suitable buildings and sufficient to maintain a creditable exhibit of Oregon products. The amount which will be asked is indefinite at the present time, or at least so far as I am aware, but it is generally conceded that it will approximate one million dollars.

If you are willing and desire that the Legislature make an appropriation of this character you are justified in casting an affirmative vote upon the measure, but if you feel that the benefits to be derived from the holding of the World's Fair at Portland would not justify it, you should indicate your convictions by casting a negative vote.

If the exposition is held, Oregon must necessarily have a creditable representation and necessarily the tax payers throughout the State must absorb the expense. Heretofore, as a member of the Legislature, I have endeavored to vote as nearly in accordance with the wishes of my constituents as possible and while I reserve at all times the privilege of exercising, to a certain extent, my own judgment on all matters of legislation affecting my constituency, I assure you that I shall be largely governed in this matter by the sentiment in my district as expressed at the polls in the November election.

I hope that you will not overlook the measure upon the ballot when voting, that a full expression of your sentiments may be recorded.

At the last special session of the Legislature one vote would have changed the result of the fair bill and it is quite possible that one vote may defeat or pass the appropriation bill to which I have above referred.

I shall wait therefore, with considerable interest, the result of the vote on this measure in Gilliam, Sherman and Wheeler counties.

O. B. Robertson, State Senator, October 11, 1922.

Young men between the ages of 21 and 30 have the opportunity to take the examination for election of second lieutenants of the regular army, to be held at Camp Lewis during the week beginning October 23d. Information can be secured by writing the commanding general at Camp Lewis, Washington.

Sherman County Fair Is Success Under Adverse Conditions

Racing Talent Good; Schools Display Much Improvement

Considering that the majority of Sherman county farmers, busy getting their 1922 crops into the ground, lowered the attendance, the thirtieth annual Sherman County Fair wound up its four days successfully on Saturday, October 14th.

While the exhibits in general were not as good as in some previous years, a large degree of interest was shown, and the various displays and demonstrations prove that the county fair spirit is yet alive.

The racing program gave a measure of satisfaction to everyone. The racing stock was all Sherman county owned. While the future accompanying outside horses was missed, the local racing talent displayed no mean ability.

Racing Stock Shows Ability

The main events on the racing program were the pace, trot and pace for 3-year-olds Friday, the first racing day, in the pace, Hal C. took all three heats; Ted, all seconds; and Razzle Patch thirds. Saturday, T. d. got first place in the first heat, with Hal C. second. The other two heats were a repetition of the day before. A number of horsemen consider the three racing horses about evenly matched.

Razzle Patch would have made a better race if he had not been troubled with a bad right knee that caused his leg to swell as far as the saucer.

The trot, on Friday, went to Black Billy in all three heats. Nancy took seconds and Nellie thirds. Saturday, Black Billy again took all three firsts; Nancy the second places, and Fred thirds. Nellie did not race.

Friday the first heat of the pace for 3-year-olds went to Lady Lovelace. Second place in the first heat went to Al Roy Hibo, third to Lady Hibo. The next two heats were won by Al Roy Hibo, Lady Lovelace taking both seconds and Lady Hibo thirds. Time, 2:40. Undoubtedly Al Roy Hibo would have taken all three firsts if his hobble had not broken in the first quarter of the first heat. His driver was M. M. Coblenz, from Hicksville, Ohio, who also was in charge of the training of Lady Lovelace and Lady Hibo. The horses had had only one month of training and breaking to the track before the opening of the fair.

Several good entries were up for the saddle races, but the names of the winners were not secured. The mule races were exciting events for both days, the first on Friday going to Bud Belabe and the second to Omar Sayrs. Sayrs won on Saturday. The chariot races were also full of pep, as in days of the past. The two contests both went to Ed Newton of Moro, with R. P. Barnett of Kent second.

Industrial Clubs Demonstrate

Cooking and canning demonstrations were given by Moro girls at the county fair on Thursday and Friday by members of demonstration teams representing their respective clubs, organized by the home economics department of Moro high school.

The canning club of five members was organized in September of this year. Exhibits of fruits and vegetables were made at state and county fairs by each member of the club. At the county fair the five exhibitors won four places in county competition.

The fruit and vegetable canning demonstration was given by Marie Amidon, Helen Bryant and Gwendolyn Foss, a team selected from the club. Each member in turn discussed some phase of canning while the other two

members illustrated the talk by canning peaches and carrots.

The meat canning demonstration was given by Gwendolyn Foss. This was the same demonstration given by members of Moro canning team at the 1921 Pacific International in Portland. The girls are planning to demonstrate one day at the Pacific International this year, November 4th to 11th.

The cooking club on Friday was represented by a team of four girls who demonstrated the mixing and baking of waffles. Jessie Belabe and Lenore Amidon were waffle cooks. Samples of their product were served to the spectators by Mary Johnson and Zella Burnett.

The cooking club was organized in October, 1921, with twelve members. The girls were the second cooking club in the state to finish 100 per cent. The members have exhibited at school, county and state fairs. At the county fair, three places were won in competition. The competitive cooking exhibit consists of one loaf of white bread.

The waffle demonstration on Thursday was given by a cooking club from Grass Valley.

The model kitchen in which the demonstrations were given was furnished under the auspices of the home economics department of Moro high school. The electrical appliances, including a hot point electric range with four burners and oven, waffle iron and washing machine were furnished by Sherman Electric Co. from the regular stock at Moro. Ginn, Coleman & Co. furnished the kitchen utensils.

Teams Play Football Tie

The football game between Moro high school and Grass Valley high school, played on Thursday, October 12th, at the Sherman county fair grounds, resulted in a hard fought, scoreless tie.

The game was evenly played throughout, both teams once getting the ball as far as their opponents ten yard line, but neither was able to put over a touchdown. Passes could not be completed often on account of wind and dust.

There were no heroes as each man did his part. Grass Valley as well as Moro was surprised at the outcome of the game.

The game was refereed by County Agent Daigh, of Waco county, and umpired by George Mitchell of Moro.

Harmony Wins Cup

The most important event of Club Day at the fair was the club parade. Eight different schools were represented in the line-up. Especially interesting costumes and banners were displayed. The Harmony sewing and camp cookery clubs were judged as the clubs making the best appearance and were accordingly awarded the silver cup that goes to the winner each year. The Harmony sewing girls represented the period of their grandmother's time, while the boys in the camp cookery club helped carry out the idea by appearing as Indians.

Club Exhibits Excellent

The school children's exhibits as a whole showed work of an excellent quality. Over \$250 has been distributed in prize money. Following is a list of the schools taking part with the amounts won by each school: Moro, \$89; Kent, \$41; Harmony, \$24; Grass Valley, \$26; Wilcox, \$19; Rufus, \$17; Biggs, \$15; Gorman, \$18; Erskine, \$10; DeMoss, \$5.

MAE MURRAY DANCER IN "DELICIOUS LITTLE DEVIL"

Role of Tenement Beauty Is Carried With Skill by Folies Star

Her idea of a good time was to go driving with the butcher boy in his delivery truck. She had joy-riden in this manner for many months and expected to for many more, but just then fate stepped in and made the tenement beauty the toast of New York.

How the tenement idol met the situation makes a highly interesting little film play called "The Delicious Little Devil." It is coming to the Moro theatre on Tuesday, October 24th.

Miss Mae Murray is the bright star who plays the role of Molly McGuire, the former sweetheart of the butcher boy. She brings to the role all the charm and vivacity that has made her one of the most popular players in the country.

Included in the excellent supporting cast is Rodolph Valentino, the matinee idol of the country. Valentino plays the part of a young man about town who falls madly in love with Molly when she becomes the bright cafe flame around which the moths swarm.

"The Delicious Little Devil" is one of those human little stories that holds your interest from the start. Molly is a charming character that you will cry with, laugh with and love with. Miss Murray, by virtue of her training with Ziegfeld Folies, plays the part of a dancer better than anyone else on the screen.

A news item that means little to you may be of paramount interest to a score of Observer readers.

TREES MADE FOR SEA PICTURE

Thomas Meighan Stars in Thrilling Play With Beautiful Island Settings

Duck Island, off the Atlantic coast, became a savage isle recently for the purposes of "Cappy Ricks," the Peter B. Kyne story filmed by Paramount for Thomas Meighan, which comes to the Moro theatre Saturday.

The beach was lined with plantain palms made in the scenic department of the Long Island studio. When the boat chartered by Paramount anchored in the little harbor and sent a party of men ashore they were surrounded by naked savages (from Harlem) and Paul Everton, captain of the boat, was killed by a blow from a bolo.

Hundreds of artificial palm and plantain trees were built for this scene, and stuck in the sand on the beach. Tom Forman and his camera man sat in a small boat, shooting the action from across a stretch of water.

The Davidson Fruit company of Hood River has loaded aboard the steamer Gothicstar, which departed from Portland Friday, the first shipment of pears dispatched directly from Portland to Europe by an all-water route. The pears, of assorted varieties, were shipped in the way of an experiment. If the fruit holds up well it is anticipated heavy shipments of the fruit will be made by the all-water route next year.

Multnomah county's road budget approximates \$575,000 for the coming year.

According to the registration books there are 13,316 registered voters in Jackson county.

Budget estimates of the Port of Portland commission for 1923 aggregate \$1,160,314.83.

The registered Jersey sale of the herd of 24 head of William MacBride, west of Shedd, brought \$5160.

The new high school building at Gates is being completed and will be ready for occupancy in about 30 days.

The fourth annual Clackamas county Oddfellows district convention will be held on Saturday, October 21, at Canby.

Miss Elizabeth Merrill has been elected librarian of the Albany public library to succeed Mrs. Viola P. Franklin, resigned.

A midnight fire swept the creamery, bottling and ice plant of Ramey Brothers on their large dairy ranch at Scappoose.

Oregon traffic violators were fined a total of \$2363.75 during September as a result of arrests made by state traffic officers.

The Oregon potato crop this year is officially estimated at 4,330,000 bushels, or 960,000 bushels more than was produced last year.

All the young Chinook salmon from the Klaskanine river hatchery have been released, about 150,000 of them being planted in Big Creek.

For the first time in the history of Marion county the registration this fall passed the 20,000 mark, the books showing a total of 20,500 voters.

The School Monopoly Bill has a misleading name!
YOU have an interest in schools? Then be sure to understand the true meaning of the School Monopoly Bill which is called on the ballot the Compulsory Education Bill.
The reason that this name is misleading is because we already have compulsory education under the present existing law, and we already have compulsory teaching in English in all schools.
What this bill really proposes is to substitute state control over the education of your children for your control.
The people of Michigan have already overwhelmingly defeated this measure, because it attacked the freedom of education.
Protect your rights which are being endangered—do not be misled by the name of this bill. Read the proposed bill carefully. Read the campaign literature. Find out the intent of the bill which is disguised by the title.
You will find that that they propose school monopoly. A hidden attack upon freedom of education.
Vote 315X NO on the School Monopoly Bill
Called on the ballot Compulsory Education Bill
