CHURCH NEWS

Notes of Interest to All Local Denominations

Rev. U. C. Smothers will preach the Mothers' Day sermon at Spalding chapel next Sunday morning at eleven o'clock. At the same hour A. M. Wright will preach a Mothers' Day sermon in the Methodist church in Moro. There will be special music at each place. Those attending are asked to wear red flowers if their mothers are living and a white flower if she is dead. The public, in honor of the mothers gone on before as well as those yet with us, are requested to make a very special effort to attend services on Mothers' Day.

Mothers' Day will be observed with special attention at both church and Sunday School next Sunday. The plan is to make this a family day, and people should come to church and sit by families. Flowers in honor of "Mother" will be worn. Mr. Hanson will preach a sermon appropriate to the hour.

The subject for next Sunday morning at the Christian Science church will be "Adam and Fallen Man." Golden text, Psalm 130:7, Let Israel hope in the Lord, for with the Lord there is mercy and with him is plentiful redemption.

Rev. D. H. Leech, district superintendent of the Eastern district of the Methodist Oregon conference, will deliver the class address for the graduates of the Wasco high school the evening of May 18th.

A plan has been worked out whereby every member of the Methodist Sunday School has a chum and the chums are responsible for the presence of each other every Sunday morning in class.

A Mothers' Day program will be held today, Friday, at the home of Mr. and Mrs. W. F. Hulery, under the auspices of the Womens Foreign Missionary society.

The annual Baccalaureate service will be held in the Methodist church next Sunday evening, the sermon to be preached by Rev. Dr. Edwards, of Salem, Oregon.

Owing to the special interest connected with the Baccalaureate sermon, there will be no young people's meeting next Sunday evening.

Rev. U. C. Smothers will deliver an illustrated address to the children of Spalding chapel at 10.45 next Sunday morning.

C. M. Snyder, editor of the Wasco News-Enterprise passed away about six o'clock Wednesday evening. World's Largest Coin.
Probably the largest coin in the world is the property of Farren Zerbe, internationally famous expert on rare coins. It is a piece of stamped copper plate, 10 inches square, and weighs six and a half pounds. It has a value of four daler. The daler was a coin of varying value used in Sweden around the year 1730.

Average Height of Human Race.
The average present height of the human race is about 65 inches, but the average is produced by measuring both the races which are exceedingly tall and those which are exceedingly short. The so-called gigantic races, of which the Scotch of Galloway still stand at the head, are offset by the little peoples of central Africa.

Once A Buick Owner—Only Buick Satisfies

In every community there are a number of instances where once a Buick has been purchased by one member of a family, others of the same intimate group have become Buick owners.

Buick dependable performance, luxurious comfort and the fact that there is a type of Buick to fit every motoring need, leads to the selection of Buick as the family car.

Significant also is the fact that today a majority of new Buicks are purchased by motorists who have been Buick owners before, and for several years.
