## Mere Man Visits Mermaid Haunt

Truman Strong has a fairly good sized pond on his farm near Moro of which he is somewhat proud. Just why this feeling did not appear until last Sunday. Some of Truman's friends have said at times, that he was inclined to get to the bottom of things whenever a problem presented itself, but it was not known just how far he would go. Sunday last Truman and Herman Christiansen were boat riding on the pond. When they landed Herman rocked the boat with the usual and instant result. Truman tried to stay with the boat, instead he went to the bottom to visit the mer maids he has in hiding at the bottom of the pond. In conclusion, it may be said that Mr. and Mrs. Strong entertained at dinner Sunday H. H. Christiansen and family, Karl Schade and wife, and H. B. Pinkerton and family.

## Moro Withdraws

### 4th of July Celebration in Favor of Grass Valley

We wish to announce to the public that we have withdrawn our 4th of July celebration in favor of Grass Valley for the reason that we believe that Sherman county is not large enough to have two successful celebrations and that it is for the best interests of the American Legion in this county that only one celebration be held. We laid plans and advertised for a celebration at Moro early in the year before we knew that Grass Valley were planning to celebrate, but now sentiment seems to be that it is Grass Valley's turn this year to celebrate. Under the circumstanses we are with drawing because we feel that it is for the common good.
