

**FARMERS OPPOSE SPECIAL SUBSIDY**

Washington, D. C. — Opposition to artificial stimulation of co-operative marketing associations by government aid was voiced in resolutions adopted by National Council of Farmers' Co-operative Marketing associations.

The council went on record as opposing any special favoritism or subsidy, and declared it had nothing to ask from the government "except a sympathetic, understanding administration of the laws and regulations already in force for supervision of co-operative organizations."

Deep appreciation was expressed of the "sympathetic and intelligent support of President Coolidge, Secretaries Gore and Hoover and of friends in congress and the thirty-five state legislatures that have enacted the standard co-operative marketing law."

**OREGON LEGISLATURE MEETS**

Moser Rules Senate and Burdick Will Preside in House.

Salem, Or.—The thirty-third session of the Oregon legislature was organized here Monday with Senator Gus C. Moser of Multnomah county as president of the senate and Representative Denton G. Burdick of Deschutes county as speaker of the house. Neither had opposition.

Senator Jay H. Upton of Bend, who was president of the senate at the thirty-second session, was named at a caucus Sunday night to call the senate to order. Ordinarily this duty falls to the oldest member in point of service, but this was Senator Moser, who is to be president, so Upton was named.

W. F. Drager, veteran clerk of the house, called that body to order.

The executive in his message emphasized taxation, irrigation and roads as the most important legislation to come before the session.
