Picture Show News For The Current Week

No character in history or legend ever appealed more to the imagination for his preponderance of dashing romantic nerve than Robin Hood, whose exploits in the Twelfth Century serve to mark that era as one in which the spirit of chivalry reached its zenith. No character in the memory of mankind ever was given such a magnificent opportunity to be impressed permanently, so brilliantly, Douglas Fairbanks' masterly portrayal of this character in his photodrama "Douglas Fairbanks in Robin Hood," is sure to enhance the popularity of this hero since this film undoubtedly will live just as any great novel with a historical background survives the onslaughts of time.

As visualized in the matchless "Douglas Fairbanks in Robin Hood," this character becomes the very king of romance in all that the term implies, and his manner of impressing his commendable traits of standing unabashed as the bold fighter in behalf of frail woman is one which will not fail to remain fixed in the mind of every person who sees the reincarnation of his spirit by Mr. Fairbanks.

A courageous but inexperienced easterner going through the trials of ranch life in an effort to gain a proper perspective of life is the plot of Hoot Gibson's picture, "Taming the West." The story is an adaptation of "The Range Dwellers," an original story by B. M. Bowers. It deals with the curious experiences and humorous episodes in the life of an easterner who has gone to live on a ranch in search of character.

It's a good thing those Putnam boys are going back to school next week

YOU heard the latest exploit, didn't you? Left the water running in the bath tub and ruined the living room wall. Just redecorated, it was, and Mrs. Putnam knew she couldn't ask to have it done over. But her cousin Jim, the decorator, said if the boys would buy the Acme Quality No-Lustre Finish he would do over the walls himself. Mrs. Putnam says now she isn't sorry it happened—the walls are simply lovely—and she has learned something about wall finishes she wishes she had known years ago.
