Several Moro citizens saw an airplane circle over this place about 11 o'clock Tuesday morning, and again about 3 in the afternoon.

The plane circled around a number of times and at one period seemed to be intending to land in the Chris Andersen field.

It made very little noise and seemed to prefer an elevation of about 200 feet although it was only 25 feet above a team and wagon outfit near the fair grounds.

The Dalles Kiwanis Club Visit With Moro Community Club

About 150 members, visitors and guests attended the banquet given by the Moro community club at Moro hotel last Monday evening, of this number about 40 were members and wives of members of the Kiwanis club of The Dalles.

D. E. Stephens, president of the Moro community club, presided assisted by Attorney C. L. Pepper of the Kiwanis club. Sheets containing words of popular songs were at each place at the tables, all present joining in singing the songs with Mr. Pepper acting as song leader.

The meeting was entirely a social affair, given for the purpose of having visitors and residents of Sherman county meet where business did not intrude. To state that the affair was a thorough success states very mildly the consensus of opinion of the Sherman county people who attended, several of whom were from other parts of Sherman county than the immediate vicinity of Moro.

Moro and Sherman county folks hope that the members of the Kiwanis club enjoyed the occasion as did the Sherman county people and that this will not be the last and only such a gathering of neighbors in friendly intercourse.
