### SLIGHT INTEREST TAKEN IN PRIMARY ELECTION

The primary election held in Sherman county and the state at large last Friday was a quiet affair. Steiwer for United States senator and Patterson for governor were nominated on the republican ticket. Opposing them is Haney for United States senator and Pierce for governor, nominated by the democrats. The only close contest was that between Turner and McLaughlin for the democratic nomination for state school superintendent, which seems now to have been won by Turner with a lead of 83 votes. Howard was the republican nominee for the office of school superintendent.

The vote in Sherman county was enlivened by the local contest for the republican nomination for county commissioner between A. A. Dunlap and J. H. Wilson, both from Kent district. The nomination was won on both the republican and democratic tickets by Dunlap. The republican vote on this office gave Dunlap 886 and Wilson 156. The democratic vote for the same office gave Dunlap 3 and Wilson 1, the only precinct in the county casting democratic votes for this office being Kent.

The vote cast in Sherman county, as canvassed by the official board, is as follows:

#### Keeping Attar of Rose Pure.

Much of the attar of rose comes from Bulgaria and the sophistication of the perfume since the war has given deep concern to the government, which has offered 1,000,000 levas (we do not know how much this represents in real money) for prizes for a process to discover adulterants. Essence of geranium has been used to debase the perfume. This has proved very detrimental to the trade. It has not only weakened confidence, but has a disastrous effect on prices as well.—Scientific American.

#### England's Half in Cities

Nearly half of England's 18,500,000 people live in cities of more than 50,000 population. The fact has been given new attention as a result of the after-war employment problem which confronted the country. Incidentally, Durham is the only English county in which the men outnumber the women.

### IN MEMORIAM

#### MARY L. HOSKINSON

Mrs. M. L. Hoskinson passed away at the Mid-Columbia hospital at The Dalles on Thursday evening, May 27th, after an illness of a few brief weeks. When first going to the hospital for medical treatment her condition was not considered to be serious, but her health failed to improve as the days went by until about a week ago when the doctors said the end could only be within a short time. Mrs. Hoskinson has an extensive acquaintance and a large circle of friends in the state as well as in Sherman county who will be grieved to hear of her death.

Mary Louise Coleman was born in Bremer county, Iowa, November 10th, 1866, and passed away on May 27th, 1926, aged 59 years, 6 months and 26 days. She moved to Oregon, coming to Sherman county, in 1896. She was married to R. E. Hoskinson at Moro on November 1st, 1900, to which union there was one child born, Jessie Hoskinson, now residing at Moro. Mrs. Hoskinson was first elected to the office of county clerk for Sherman county at the election held in November, 1918, and was again reelected to the office at the elections held in 1920 and 1924.

Mrs. Hoskinson leaves one daughter, Jessie Hoskinson of Moro; three step sons, Robert Hoskinson of Moro and Dean and Buell Hoskinson, present address unknown; two sisters, Mrs. R. J. Ginn of Moro and Mrs. T. R. McGinnis of Corvallis; two brothers, J. E. Coleman of Moro and J. L. Coleman of Lincoln, Nebraska; two uncles, James Woods of Moro and Wren Woods of Clarinda, Iowa; an aunt Mrs. A. D. Blair of Clarinda, Iowa.

Funeral services will be held at Moro opera house Sunday afternoon May 30th, at 2 o'clock. Interment will be in the I.O.O.F. cemetery at Moro.

#### Contradicted the Queen.

That veteran journalist and prince of raconteurs, Sir Henry Lacy, delights in telling the story of a certain old admiral who had an extraordinary habit of contradicting anyone with whom he conversed. In fact, he once flatly contradicted the queen. He attended a royal reception and was presented to her majesty, who had heard something of his propensity. "I hear, admiral, you contradict every one who speaks to you," said the queen. "Your majesty is misinformed," replied the admiral, gruffly. "I do nothing of the sort."
