Spraying For "Glory"

A motor driven spraying outfit has
been operating on three farms in the
Moro district during the past week
using a new spray formula that is said
to be death to morning glory in wheat
fields and while it may lessen the
wheat crop for the season following
its use it will not injure the land and
in many instances where it has been
used has not resulted in shorting the
crop.

C. R. Morrison, Roy Powell and
G. A. Meloy are the farms where the
spray is being used. About 750
pounds of the spray mixture, a by-
product of baking powder, will be
used at an estimated cost of about
\$40 an acre. Some of the land that
is being treated is spotted with mor-
ning glory while other portions of the
land has the weed heavily bedded.

Young People Marry

A beautiful informal wedding was
solemnized last Saturday evening,
August 19th, at the farm home of
Mr. and Mrs. E. Amidon, when their
oldest daughter, Marie, became the
bride of Mr. Robert B. Hoskinson of
Moro.

Rev. R. A. Feenstra of the Moro
Methodist Church performed the cer-
emony before about fifty relatives
and friends. The home was very
attractively decorated with large
baskets of autumn flowers.

The bride, attended by her sister
Doris as bridesmaid and Mildred
Boardman as maid of honor, was
given in marriage by her father.
Gayle Amidon was flower girl. The
groom was attended by his cousin,
Mr. Harold Ginn.

Preceding the ceremony Miss Lin-
nie Belabs sang "O Promise Me."
She was accompanied on the piano
by Mrs. Ben Hockman of Wasco, who
also played the wedding march.

Later, Mrs. C. L. Foley of Grass
Valley pleased the guests with two
splendid readings. Following this a
delightful buffet supper was served.

Mr. and Mrs. Hoskinson left the
same evening in their car for a honey-
moon trip that will take them through
the Yellowstone National Park and
the Colorado Canyon. Upon their
return they will make their home in
Moro.

Both young people are popular and
prominent in the community. The
bride is deputy county clerk and the
groom is employed on the Federal
Experiment Station.

The goodwill and best wishes of
a host of friends is extended to them.

C. L. Barrett of Bend has paid John
Moran of Ashwood \$15 for each of
seven sheep he killed when his car
plunged into a band being driven to
summer range in the Cascade moun-
tains.

Frank Shepherd, 24, who had been
employed but two weeks, was killed
last week at a Powers logging camp
when a sapling sprang back from a
falling tree and struck him in the
neck.

Members of the new Baptist church
recently formed at Salem by former
members of the First Baptist church,
have selected the name "Calvary Baptist"
for their organization, it was an-
nounced.

The Bowman-Hicks Lumber com-
pany's sawmill in Wallawa resumed
operations last week, following a 90-
day shutdown. In addition to the old
crew, 46 new men have been placed
on the payroll.

The fourth annual picnic of the Core
old folks given by the Woman's Im-
provement club in Ascension grove
brought together 70 persons of 40
years; the oldest, Mrs. Mary P. Cham-
bers, 85, was guest of honor.

Miss Lilly M. Gillam of Perrydale,
Oregon, and Ross F. Andrews of Moro
were married on August 19th at
McMinnville. Mr. and Mrs. Andrews
arrived at Moro the first of the week,
where a warm reception was given
the newly accredited benedict by his
friends.

Mrs. J. F. Belshe left Moro last
Saturday for Portland and Salem,
where she planned to visit relatives.
Her plans were changed at Portland
and this week she became a patient
at St. Vincent's hospital, submitting
to an operation for the removal of
her tonsils on Thursday.

The coroner's jury investigating the
auto wreck of ten days ago near
Kent which resulted in the death of
George Marx was reconvened at Grass
Valley Monday afternoon. An all
afternoon session resulted in continu-
ance of the case and commitment of
young Marlin to the juvenile court.

All members of the granges are in-
vited to attend the all day session of
Harland View grange on Tuesday,
September 4th, with basket dinner at
noon. An open meeting will be held
in the afternoon to which the general
public is invited. Former governor
Walter M. Pierce will be present and
address the afternoon meeting.

Mr. and Mrs. A. M. Wright will
leave Moro this Friday for Bend

zie highway from Halsey. The two
families intend to tour southern Ore-
gon and northern California, includ-
ing a visit to Diamond and Crater
lakes and a trip into the Redwoods

California.

According to figures received by
Harold Clifford, state game warden,
from the various state game farms,
23,800 China pheasants were hatch-
ed out this year and a total of 9138
liberated. According to the new state
law governing the release of game
birds the pheasants must be liberated
in all counties having an open pheas-
ant season 30 days prior to the open-
ing of such season, which will make
the limit for the freeing of the birds
August 31. Nine hundred and eighty-
seven Hungarian partridges were
hatched on the state game farms and
250 wild turkeys.

Horse racing, with several noted
strings from over the northwest im-
ported for the event, will hold a prom-
inent place on the 1928 Cooce and
Curry county fair program this fall. It

board of directors at Myrtle Point.
There were eight fatalities in Ore-
gon due to industrial accidents dur-
ing the week ending August 16, ac-
cording to a report prepared by the
state industrial accident commission.
There were 955 accidents reported to

and family states that they have en-
joyed their vacation outing at Rock-
away and were to leave there this

PICTORIAL LIFE OF HERBERT HOOVER

No. 1

By Satterfield

1. Herbert Hoover's ancestors, of Quaker faith,
came to America from France and Holland.

2. They became settlers first on farms in Mary-
land, thence moving to North Carolina and Ohio.

3. In 1835 the Hoovers migrated to Iowa, where they
and their neighbors founded the town of West Branch.

4. Before clearing the land for their farms,
these Quaker pioneers built a Meeting House.
