OREGON TRADING CO.

The Wasco News.

Issued Every Thursday by
J. W. ARMSTRONG,
Editor and Publisher.

THURSDAY : : OCT. 13, 1898

The News is not in favor of Sherman county spending any money on the proposed road through the south end of the county over into Gilliam. If those people want a road by which to reach The Dalles let them build it. Sherman county will derive no benefit from it, except to blow in money every year to keep it up. We would be kind to our neighbors, but to ask us to pay for a thing that does not help us in the least, and then keep it up, is just one too many. We hope our county court will never agree to saddle this burden onto the taxpayers.

It is a question whether or not the legislature was wise when it legislated the state board of equalization out of existence. Multnomah county is benefited by it, but the outside counties are not so fortunate.

That Chinese restaurant is the filthiest place in town; and neither the marshal or health committee seem to know anything about it, although their attention has been repeatedly called to it.

The election of Joe Simon to the U. S. senate is not a surprise. Ever since the beginning of the extra session matters have been drifting that way. And he's not such a bad man after all.

The Indian disturbance over in Minnesota really amounts to more than the land fights with the Spaniards. The redskins are braver men.

Three Doctors in Consultation.
"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., theory) says is best is to be chosen in the last place. But if you can get Dr. Inclination, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."
—Benjamin Franklin.

When you have a bad cold, Dr. Inclination would recommend Chamberlain's Cough Remedy because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. For sale by Marsh & Medler.

Dr. G. E. Sanders, Dentist, Of The Dalles, Oregon, will be at Wasco Monday and Tuesday of the first week of each month; at Moro Wednesday and Thursday of the first week of each month; at Grass Valley Friday and Saturday of the first week of each month.

How to Prevent Croup.
We have two little children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy, and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than all other cough medicines combined.—J. M. Nickle, of Nickle Bros., merchants, Nickleville, Pa. For sale by Marsh & Medler.
