Mr. Henderson, of Iowa, is to be the next speaker of the house The matter has been virtually settled. This places the office pretty close to the center of the domain. He has been a member of congress for some time, and should be well posted. It is to be hoped he will be so well fitted for the place as to keep it.

The Telegram speaks well when it says: There is no reason why an Oregonian should go to Alaska to hunt for gold. There is much better digging and a better climate in the Bohemia district and it doesn't cost so much to get there.

According to the latest reports the Second Oregon has fought its last battle with the Filipinos, and is now on its way home. It is not a sure thing they will reach Portland in time to participate in the Fourth of July celebration, however.

Evidently the war department has confidence in Otis. He is to receive the four regiments he asked for. It is to be hoped 30,000 men will be able to control the situation But if such is the case, the natives must be awfully backward.

Of course Moro is the most practical place for Prineville to get mail from. As the Columbia Southern extends out south all to be done will simply be to shorten the route covered by team

The Northwest Herald, a new paper just started in Portland, is on our table. We have only to say that if it continues to do as well as its first attempt, it will be a grand success.

The Ohio republicans have nominated Mack, a Hanna man, for governor. It appears that the boss still holds his job.

It is pleasing to know that friendly relations have been resumed with Spain. Again the ministers are in their places

Uncle Sam may well be proud of the fact that his freight trade is averaging one hundred dollars per month.

At last Dreyfus is to have a new trial. If justice is done, some of his accusers will take his place.

Glorious News

Comes from Dr. D B. Cargile, of Washita, I T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of Scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved, that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, and builds up the strength. Only 50 cents. Sold by Marsh & Medler, druggists. Guaranteed.

"Why haven't I a 600 acre farm as well as that man riding by in his carriage?" yelled the red-nosed anarchist orator as he glanced at the crowd. "Because he saved $600 and bought his farm when it cost him $1 an acre, and you poured your $600 down your throat," responded a man on the back seat; and the orator asked no more conundrums.—Chicago Tribune.

Some complaint has been made about tin cans and other refuse being hauled out and dumped along the road. This is a thing that should not be done. Near the Christian church is a pile of rubbish that has nearly caused several runaways It is a regular horse scare, and is liable to cause a serious accident. Let it be stopped. Establish a regular garbage dump to some out of the way place.

It is quite surprising to know how much business is carried on in such a town as Wasco. During the past week the O. T. Co. put in an order for one and one half tons of carriage bolts. The think of an Eastern Oregon store making such an order and ordering all other goods in like quantities, means a large business It is almost beyond what one would naturally think. But this is a usual thing with the O. T. Co.

Monday the Columbia Southern train failed to get to Biggs for several hours after it was due. The engine ran through an open switch at the north end of town, and while it was not a wreck, yet it was necessary to go to Moro after another engine to pull the passenger engine back on the track. All this took till after seven o'clock in the evening. After the trouble was over the round trip was made.

Rev. W. W. Pew and wife, of Baker City, are aiding the pastor, Elder J. W. Jenkins, in a protracted meeting in the Christian church this week. Rev. Pew will preach each evening, and Mrs. Pew, who is an experienced leader in chorus work and a successful soloist, will be in charge of the song service, which will be a leading feature of the services. Sunday morning the subject of discourse will be: "Children of God and Sin the Erring the World's Hope." This meeting will continue as long as the interest demands. A general invitation is extended to the public to attend these services.
