FEMALE WEAKNESS

Dr. J. S. Conner, M.D., Portland, Maine, Oct. 17, 1900.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know what I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have bleeding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui changed all that. I took a bottle of Wine of Cardui and in a few days my menstruation began to flow and I felt better. I took a second bottle and my menstruation was regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of the good qualities.

Wilhelmina Lewis
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menstruation, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world why you should try Wine of Cardui now. Remember that headache means female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

Scarletmont is a very handsome bay horse with high style and action and is thoroughly kind in and out of the stable.
