Suffering

Will Not Help Your Disease, but Will Weaken Your Nerves.

Folks who think it is better to bear pain than soothe it—are wrong.

Old-fashioned doctors used to say it was better, because they had nothing with which to ease pain but dangerous, heart-paralyzing drugs.

But now, that a safe remedy has been found, Dr. Miles' Anti-Pain Pills, it is wrong to suffer, for nothing can be gained but weakened nerves.

A safe rule to remember is: When in pain, take an Anti-Pain Pill.

This will soothe your quivering nerves. Dr. Miles' Anti-Pain Pills relieve pain by restoring the natural secretions, in which they differ from opium and similar narcotic drugs, which relieve pain by checking the action of the glands.

They are sure and harmless, and are the latest medical treatment for the cure of Headache, Neuralgia, Backache, Rheumatism, Disinjury, Toothache, Stomachache, Menstrual (Monthly) Pains. Also nerve irritations like Seasickness, Car-Sickness, Sleeplessness, Indigestion, etc.

Pleasant to take, quick in results.

"I have used Dr. Miles' Anti-Pain Pills for sick nervous headache, and have received the best results. I heartily recommend their curative properties, for they are successful."—REV. RAY A. WATROB, D. D., Iowa City, Ia.

Sold by druggists, at 25c. Money back if first box does not help. Never sold in bulk.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years, and during that time tried various remedies without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well, and have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by Marsh and Medler.

Cash Prizes and Medals.

Portland, Ore., June 27, 1904.

To THE PEOPLE OF OREGON,
Greeting:—The Portland Commercial Club offers two gold medals and \$200 in cash prizes for articles on Oregon, under the following conditions:

For the best article appearing in the regular edition of any newspaper or other publication printed outside of the state of Oregon, to be competed for only by persons residing in Oregon and not living in the city of Portland, choice of a gold medal or \$50 dollars in cash.

For the second best article, either the gold medal or \$50 in cash, depending upon the selection of the winner of the first prize.

Article winning third prize will be given \$25.

Fourth prize will be \$15, the fifth prize \$10.

To residents of Portland a gold medal and \$100 will be distributed in prizes upon exactly the same basis as the gold medal and \$100 are to be distributed to residents of Oregon outside of Portland.

The reason for having these articles printed outside of the state is that we want people away from home to know our advantages, and then we want the Portland and Oregon papers to be relieved from any embarrassment that might arise through having to decline articles. Articles containing the expression "Webfoot" will not be allowed to compete.

The Governor of the state will be asked to appoint a committee to decide as to the winners in the state contest, while the Mayor of Portland will be requested to name the committee that will select the winners in this city.

One of the chief reasons for offering these prizes is to give the younger generation an opportunity to do some pleasant work during vacation. This is a busy age and no article is desired exceeding five thousand words—those of about one thousand words preferred.

No articles will be accepted in competition except where the newspaper or other publication is submitted complete. The articles submitted become the property of the Portland Commercial Club, to be used as desired.

The contest closes October 1, 1904.

We believe that there will be an interesting competition for these prizes, and feel sure that many newspapers throughout the United States, Canada, Mexico and other countries will be glad to secure interesting matter relative to the most fertile state in the Pacific Northwest. Articles in any language will be accepted.

Feeling certain that this effort will result in much good to Oregon, we are,

Very truly yours,

H. M. CAKE, President.

THEO. B. WILCOX, Chairman.
