A car broke loose near the W. W. M. Co.'s warehouse, last Friday, after kicking up considerable excitement among the heroic inhabitants and running over several sticks of cord wood, gallantly thrown on the rails, it started a couple more cars near the depot finally winding up against a derrick and most of the self propelling train landed in the right of way beside the track.

Notice.

To whom it may concern; you are hereby notified that I will pay no bills contracted by my wife, Marie E. Draper, or be responsible for her contracts in any way.

Norman Draper.

I am at a loss to know why Mr. Draper has published the above notice as I never run bills in my life for him to pay. I have paid all my bills even before he deserted me. My life will stand any investigation and I dare say Mr. Draper can find no fault with me unless it is because I would not give him my last dollar that he might spend it as he has spent so much money.

Mrs. Marie Draper.
