General Satisfaction Given.

The Georgia Harper Co., are playing every night this week at Akers' Opera House to a large and appreciative audience. They played Monday night with "Zaza," a typical French play in which Miss Georgia Harper played the leading role as, Zaza an actress, to the satisfaction of all. Tuesday night, the favorite military drama, "In Old Virginia," was put on; Wednesday night was "Camille," the company's stand-by, another French play of renown; last evening "The Two Orphans," was played. The whole peepoior is one of excellence, and all the players handle their parts well, and call forth much applause and commendation from the audience.

Miss Harper, the leading lady, and Mr. Dedrick, leading man, are both favorites with Wasco theatre goers, as they were here a little over a year ago, and played to crowded houses. Such an excellent company as this one is always welcome in Wasco. Elsewhere will be found the plays that are to be put on tonight and tomorrow afternoon and evening.

My Breath.
 Shortness of Breath is One of the Commonest Signs of Heart Disease.

Notwithstanding what many physicians say, heart disease can be cured. Dr. Miles' New Heart Cure has permanently restored to health many thousands who had found no relief in the medicines (allopathic or homoeopathic) of regular practicing physicians. It has proved itself unique in the history of medicine, by being so uniformly successful in curing these diseases.

Nearly always, one of the first signs of trouble is shortness of breath. Whether it comes as a result of walking or running up stairs, or of other exercises, if the heart is unable to meet this extra demand upon its pumping powers—there is something wrong with it.

The very best thing you can do, is to take Dr. Miles' New Heart Cure. It will go to the foundation of the trouble, and make a permanent cure by strengthening and renewing the nerves.

I know that Dr. Miles' New Heart Cure is a great remedy. For a number of years I suffered from shortness of breath, smothering spells, and pains in my left side. For months at a time I would be unable to lie on my left side, and if I lay flat on my back would nearly smother. A friend advised using Dr. Miles' New Heart Cure, which I did with good results. I began to improve at once, and after taking several bottles of the Heart Cure the pains in my side and other symptoms vanished. I am now entirely well. All those dreadful smothering spells are a thing of the past.—F. P. ELIASK, Middletown, O.

If the first bottle does not help you, the druggist will refund your money.

DANVILLE, ILL., Dec. 23, 1892.

Theford's Black-Draught has been our family doctor for five years and we want no other. When any of us feel badly we take a dose and are all right in twelve hours. We have spent lots of money for doctor bills, but get along just as well with Black-Draught. IRA H. BAIDER.
