

## MORO LOCAL ITEMS

Casper Grassli, of Kent, was doing business in Moro the latter part of last week.

G. W. Brock left yesterday for White Salmon where he will make his future home.

Alonzo Gesner, of Prineville passed through Moro Sunday enroute to Portland.

Dell Calbreath visited at Biggs Sunday and reports that Special Deputy Sheriff Hecker is wearing a new star.

If there is a kid in Moro who is not wearing stilts these days it is because he has taken a fall from a pair and is scared out.

Prof. James DeMess was doing business in Moro Saturday of last week. Prof. D is editor of the "Home." This month's issue of the Home contains some very strong editorials on local option and the temperance question.

John Stacey and wife of Idaho, accompanied by their daughter, Alda are visiting this week with Mr. and Mrs. W. A. Norcross. Mrs. S is a sister to Mrs. Norcross. Mr. Stacey was until recently engaged in the sheep business in Idaho but has sold out and is thinking of locating in the Alberta country.

G. M. Frost has returned from Texas, and says prospects are fine there. We are glad to see "Jack" back with us again and hope he will decide to remain with us.

Frank Morrow, of Wasco, was a Moro visitor Sunday. Mr. Morrow is interested in the Only Weeder Co.

Billy Hoggard, who has been working in Condon for the past two weeks, returned home Sunday.

O. P. Hulse, representing Chas. H. Todd & Co. of Portland, returned from a trip in the interior in the interests of his firm. O. P. reports a successful trip.

Mr. and Mrs. H. S. McDanel left for Portland Sunday morning. Mrs. Mc. has been on the sick list for the past two weeks and hopes the change in climate will be of benefit to her.

Sheriff McCoy returned from Portland Sunday evening where he had taken the Eddy children to the Aid Society.

E. A. Cushman left for Portland Saturday to remain a few days.

Grove Sammon, who has been in the employ of T. R. Shockley for the past six months has purchased the pool and billiard outfit at Kent from Wm. Rudolf and will run a barber shop in connection with the other business.

Charley Garlick, Todd McCoy, Mr. Kay and Lloyd Dunahoo went fishing on the Deschutes Sunday but report no fish in the river. This story sounds like the one told by Messrs. Barnum and Montgomery who recently went fishing in Buck Hollow who declared that a band of Indians had been there just ahead of them and caught all the fish in the creek.

Most of the farmers in this vicinity will wind up seeding this week.

G. W. Brock returned Saturday from his farm in Gilliam county where he has been for the past week looking after spring work.

Dave Biggerstaff has purchased a ranch beyond Grass Valley and will henceforth be a full pledged farmer. We are glad to see Dave make the change.

L. L. Peetz and wife were Grass Valley visitors Sunday.

L. R. Martin has been having some improvements made on the farm, such as painting the house and barn. R. M. Brash did the work.

W. A. Bressler is disposing of his stock of merchandise preparatory to leaving for the Valley where he will make his future home.

P. H. Johnston and son have disposed of their business in this city to W. A. Raymond. Mr. J is thinking of locating in Idaho.

The Batchelor Girl's Club held a whist party at the home of Roy Hulse Saturday evening.

A representative of the Mt. Hood nursery was doing business in this section the first of the week.

Cecil Hull, of Wasco, was visiting in Moro Sunday.

Wm. Rudolf and Grove Sammon made a business trip to Kent Sunday.

The recent fire at Portland proves the fact that the majority of men only lack the opportunity to prove themselves heroes. The medals to the brave firemen were deservedly conferred.

Honker Bill is getting his fishing tackle ready for the season.

Don't the new style of ladies hats jar you?

Our waste basket is filled to overflowing every day with letters from candidates from all parts of the state. We do not want it understood, however, that no attention is paid to these letters, as they are all carefully read and then disposed of. If they were to be considered as the ordinary letter it would require an annex 60 by 100 and the hiring of 14 filing clerks.

The Citizens of Moro have had to go back to the old kerosene lamps for lights the past week or ten days. The result of negligence on the part of the Railroad Company is failing to deliver empty tanks at Portland.

City Marshall Sells is relieved of the most disagreeable part of his duties, since Recorder Henrichs has adopted the rule that water and light rent is payable only at the Recorder's office.

Geo. Thompson, of Rutledge spent several days in Moro last week.

A couple of low down worthless chicken thieves stole 4 fine plymouth rocks from W. A. Norcross Saturday night. The parties are known, but it is another case of being certain of a thing, but unable to prove it.

### Rheumatism makes life miserable

A happy home is the most valuable possession that is within reach of mankind, but you cannot enjoy its comforts if you are suffering from rheumatism. You throw aside business cares when
