The name of Ruth Merchie was unintentionally omitted from an item, last week, mentioning the visit of a party of Wascoites to the seaside, but we feel sure, however, that the incident will not mar the pleasure of Miss Ruth's outing.

An exchange says this is from the brain of some fellow who writes as if he had had experience: Among the thousands of summer girls which go to press each year none of them seem to pl. notwithstanding the many inexperienced pressmen.

In response to an inquiry we are prepared to state that the free bridge across the Deschutes river is passable, not only passable, but in first class condition. The statement is made on authority of persons living in that neighborhood and passing over the free bridge frequently. The floor is badly worn, however, but lumber is on the ground to make the needed repairs.

The Josephine Deffrey Company which is booked to appear at the Akers Opera House on the dates of September 5th, 6th and 7th, is said to be one of the best melodrama combinations on the road. They will find the people of Wasco in good spirits and their entertainments will doubtless be greeted by large and appreciative audiences. Mr. Akers is not in the habit of recommending troupes that have signed to appear before the intelligent people of Wasco but he does not hesitate to do so on this occasion.

George Sink's driving team ran away Tuesday and succeeded in smashing two buggies before they were stopped. George had driven to town on business and tied up in front of Pepper's plumbing shop when the train came along and frightened the team so that they broke loose and ran up the street. When the buggy came opposite Hamilton's store it collided with one standing at the hitching rack in such a way as to make a complete wreck of Mr. Sink's rig and badly damage the other which had been driven to town by Vick Smith.
