M., former registrar University of Washington, Editor Socialist Voice and Daily World, will lecture on the lines of economic reform at the Akers Opera house next Tuesday evening. All are invited. No admission will be charged. Mr. McDevitt comes recommended as a gentleman of rare ability and one of the foremost speakers on this line of thought. The lecture will be of an instructive character with all harsh and abusive features eliminated, and injustice to his cause which is rapidly growing in popularity he will, doubtless, be favored with a large audience. Questions are invited and will be answered.

Death of Elwood Lamborn.

The funeral of Elwood Lamborn, a highly respected former resident of Wasco, who died of cancer in Portland last week, took place at the Methodist church Saturday, funeral sermon by Rev. F. E. Smith.

John E. wood Lamborn was born October 30, 1859, at Oskaloosa, Iowa, died in Portland, Oregon, October 24, 1907, aged 47 years, 11 months and 24 days. In July 1884 he was married to Luella Taylor, who with three children survives him, two having died in infancy.

When a boy Mr. Lamborn went with the family to California, residing there until the year 1882. He with his widowed mother and brother and sister moved to Wasco, Sherman county, Oregon, residing a few years and moving then to Portland, Oregon. Mr. Lamborn was a man of sterling qualities, uprightness of character and honesty of purpose in all dealings with his fellow men. His one idea of life was the golden rule, to "do unto others" as they should do by him. He died believing in the Savior of men, expressing a few moments before his death a belief in his saving power. He requested that his mortal remains be laid beside his baby Charlie in the Wasco cemetery.
