

Local and Personal

Mrs. Ella Arnold, of Medford, spent Sunday with her sister, Mrs. Geo. Fox. The "Uncle Tom's Cabin" show Monday night was a plumb fright. That's all.

Hon. S. M. Nealon, of Table Rock, went to Grants Pass, Monday, returning Tuesday.

Miss Gale Laughlin will speak here tomorrow night at Christian church on woman suffrage.

Mr. and Mrs. C. W. Palm, of Medford, were guests of Mr. and Mrs. J. P. O'Hara Sunday.

W. C. Hawley, republican candidate for congress, will speak at the city hall, May 18, at 2 p. m.

Dr. W. P. Holt and E. E. Spudder, well known citizens of Eagle Point, were in the city Tuesday.

J. W. Gilmore and family left last Saturday for Strawn, Texas, where they will visit relatives for a few months.

Lost—A Waterman fountain pen on road between Central Point and Bear creek bridge. Return to HERALD office. Reward.

J. M. Potter, former editor of the Medford Daily Tribune, has accepted a position as cashier of a new banking institution in Seattle.

Mrs. Hester Hartzell, of Medford, came in on Saturday evening's train and spent Sunday in Central Point the guest of Mrs. J. B. Holmes.

Jacob Stone and family, of Talent, have located here and for the present are occupying the Emory residence. They have rented the Nicholson place for a year and will move there shortly.

Rev. and Mrs. Burbank returned Saturday evening from Grants Pass, where they attended an interesting and successful meeting of the Epworth League association of that district.

Steve Caldwell, of the firm of Caldwell Bros., sheepmen, was in town for a few days during the week. He reports the sheep doing well and a big percentage of lambs raised during the season.

The fraternal order of Modern Woodmen of America donated \$100,000 to the San Francisco relief fund. No other order approached this amount in relief for the earthquake and fire sufferers.

Miss Dorothy Day, one of Jacksonville's able teachers, Sundayed with Miss Elizabeth Gibson. We understand Miss Day has refused several good positions for the coming year, since her mamma needs her at home. School boards are used to such excuses and, when they are made, they can faintly hear Wedding Bells.

The Medford correspondent of the Portland Journal writes an excellent letter for last Sunday's issue of that paper on real estate transactions and fruit prospects in the Rogue river valley. Such articles are just what is needed in spreading the good news and the glad tidings to all the people concerning this, the best country on earth.

A high class musical and literary entertainment will be given in the opera house in this city Saturday evening by the students and faculty of the Ashland high school. Admission, 15c. Reserved seats, 25c. The proceeds will be used for improving the apparatus in the school laboratory. Seats now on sale at Crandall & Bennett's store.

PLATFORM OF R. C. HENSLEY.

Socialist Candidate for State Senator for Jackson County

FIRST—Believing in the principles of International Socialism, I hold that labor produces all the wealth of the world and is therefore entitled to all the wealth of the world.

SECOND—That our present system of government, wherein our representatives have the power during their term of office to enact such laws as they see fit, results in class legislation, thereby favoring the classes instead of the masses and creating a favored class who are rapidly absorbing the wealth of the nation; and realizing that so long as we continue to live under private ownership system that this state of affairs will always exist, therefore, if elected, I pledge myself to work for the overthrow of this present private ownership system and inaugurate in its stead the co-operative commonwealth wherein the natural resources shall be the common inheritance of all the people, and wherein every worker shall have an equal voice in the administration of the affairs of the government.

THIRD—In regard to electing United State Senator by a direct vote of the people, I will say that as Socialists we have no interest in the matter, as we do not believe in a delegated system of government, and hold that so long as you give the law-making power into the hands of any set of men, that it does not matter by or through what means they get this power, the fact remaining that during their term of office they are masters of the situation, and so long as they have this law-making power in their hands they will sell it to the highest bidder.

R. C. HENSLEY.
