

LOCAL AND PERSONAL
(Continued from 1st page.)

Mr. and Mrs. J. H. Gay expect to go to Ashland today to attend the Chautauqua meeting.

S. Cornutt left yesterday morning for Bly, Oregon, where he will spend the summer. The HERALD will follow him and keep him posted on home news during the summer.

W. C. Leever circulated among the Pine street business men yesterday with a project for oiling the street, with a view of abating the dust nuisance. It is probable some action will be taken in the matter.

Mr. and Mrs. Olaf Olsson came up from Roseburg Sunday morning to visit with Mr. Olsson's parents, Mr. and Mrs. P. Olsson, and family. Mr. Olsson was obliged to return to Roseburg Monday, where he is train dispatcher for the Southern Pacific company, but Mrs. Olsson will remain here for a week or so.

Dr. and Mrs. J. I. Montgomery, of Butte Falls, came in Tuesday on their way to Grants Pass, where Mrs. Montgomery's father is seriously ill. The doctor's father, who has been visiting at the Falls since the Fourth, also came in on his way to his home in Polk county. He will probably return and locate in this valley.

A Successful Drive

J. J. Pankey has finished running several hundred thousand feet of logs down Rogue river, to the Condor Water & Power company's dam, a distance of nearly 45 miles.

This is considerable of a feat, as there are so many curves and rapids in the stream and other difficulties to encounter.

Mr. Pankey is certain that he can do much better next time, as he is now familiar with the work.

Rogue river should furnish a splendid vehicle for the cheap transportation of the vast quantity of superior material in its vicinity, which would ensure the establishment of an important lumber industry.—Southern Oregonian.
