The S. P. train service is still badly demoralized on account of the recent high water. Strange to say, however, trains on the Medford & Crater Lake road were not delayed so much as thirty seconds during the entire storm.

R. C. Hensley and Mrs. Cliff, both well known residents here, were married at Medford yesterday. The Herald congratulates.

Improper action of the kidneys causes backache, lumbago and rheumatism. "Pineules" is a kidney remedy that will relieve these diseases. Pleasant to take and guaranteed to give satisfaction or money refunded. "Relief in every dose." Sold by Mary A. Mee.

Bartlett Oberchain, a highly respected pioneer of this valley, was stricken with paralysis a few days ago, but at this writing he is considerably improved. Fortunately the attack, which followed a severe attack of la grippe, from which he was just recovering, was a light one and his friends will hope that he will soon regain his accustomed strength. Dr. Parizek is in attendance.

Coughs and colds contracted at this season of the year should have immediate attention. Bee's Laxative Cough Syrup contains Honey and Tar and is unequalled for hoarseness, croup and coughs. Pleasant to take; mothers endorse it; children like to take it. Contains no opiates. Moves the bowels. Sold by Mary A. Mee.

A. E. Smith, of Leeds, N. D., who is making a tour of the Pacific Coast in search of a location, was here during the week visiting his friend L. Hatfield and looking at the country. He went on to Portland Saturday evening, where he had a business appointment, but expects to return here in a short time to look for some investments. Mr. Smith was more pleased with this locality than any part of the Coast he has visited.

There are many kidney remedies but few that accomplish the result. "Pineules" is a kidney remedy that contains no alcohol or opiates of any kind, complies with the National Pure Food and Drugs law, guaranteed to give satisfaction. Thirty day treatment for \$1.00. Inquire about "Pineules" at Mary A. Mee's drug store.

Geo. L. Neale has been subpoenaed as a witness in the circuit court in Gilliam County, which meets at Condon on the first Monday in April. He will be called to give testimony in the case of W. H. Thompson, who killed Alex Gearke in a railroad camp near Condon more than two years ago. Thompson was found guilty at a former trial and given a life sentence in the penitentiary at Salem, but was granted a new trial on appeal. Mr. Neale was the committing magistrate in this case when Thompson was first arrested.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Man Zan Pile Remedy is encased in a collapsible tube with nozzle attachment. It cannot help but reach the spot. Relieves blind, bleeding, itching and protruding piles. 50 cents with nozzle guaranteed. Try it. Sold by Mary A. Mee.

Sam Murray has engaged in the chicken business. He possesses one one-legged rooster and one white hen, and he gets five (5) eggs a day. Mr. Murray is threatened with brain storm because of the strenuous mental labor to which he is subjecting himself in an effort to discover which of the two fowls lays the odd egg. He claims to have propagated the one-legged variety and claims great superiority over the old-fashioned bipped breed, from the obvious fact that a chicken with one leg will not wear out the perch so fast as will a chicken with two feet.

In using a cough syrup, why not get the best? One that comes highly recommended is Bee's Laxative Cough Syrup, contains Honey and Tar and is superior to other cough syrups in many ways. Children always like it because it contains no opiates, is a laxative and is guaranteed to give satisfaction or your money refunded. Try it. Sold by Mary A. Mee.

## Town Board Organizes.

A special meeting of the town board was held Tuesday evening, when the old board closed up their affairs for the year just ending and the new board qualified and assumed the duties of their respective offices.

The reports of the retiring recorder and treasurer were audited and accepted and the affairs of the municipality were found to be in excellent condition. J. E. Boswell, the retiring recorder, administered the oath of office to A. P. Gillett, his successor, after which the old board adjourned sine die.

Recorder Gillett called the new board to order, when W. C. Leever was unanimously chosen as President of the Board.

The town officials are now as follows: Trustees—W. C. Leever, W. J. Freeman, J. W. Jacobs, S. A. Pattison and I. C. Robnett.

Recorder—A. P. Gillett.

Treasurer—T. M. Witten.

Marshal—L. Williams.

Street Commissioner—G. G. Selby.

Before adjournment President Leever appointed the street committee because of needed repairs incident to the recent storm, but withheld other appointments until the next regular meeting. The street committee consists of I. C. Robnett, J. W. Jacobs and S. A. Pattison.

## A Family Trait.

An Ashland hopeful of five summers, whom the patronymic of Smith will serve to designate, was impressed by the religious teaching which his fond mother was endeavoring to instruct him in the other day, and was apparently amazed at the power and wisdom and goodness of God as the giver of every good and useful gift. But the little tot shocked his mamma when, after a moment's contemplation, he asked in all earnestness: "Mamma, is God's first name Smith?"—Tidings.

## Chicken Supper.

The Ladies' Aid of the M. E. church will serve a chicken supper in the Town Hall Friday, March 29th, from 5 o'clock until 10 o'clock. Supper, 25 cents. Proceeds to be used for repairing the church. A cordial invitation is extended to all. 48d49

## Bear Creek on Rampage.

The continued rainstorm which began at midnight Saturday and lasted without interruption until Monday morning resulted in the highest water that has been experienced in this valley for several years. Bear Creek reached the highest stage Monday morning that had been reached for several years and considerable damage was caused by the flood cutting its banks and encroaching on adjacent farms. The bridge just east of town also suffered to a considerable extent, one of the steel caissons which supports the steel span of the structure being undermined until it settled almost two feet. The steel span and the wooden approach on the east side are both badly out of line at this writing and if the rains continue and the creek makes another rise it is probable both spans will go out. The wooden covered span on the west side of the creek was not damaged.

Some damage was also reported from different parts of the valley in the way of the washing away of fences, culverts, etc., but aside from the damage occasioned by Bear Creek the loss will be nominal.

Patrons of the rural mail routes were cut off from communication with the outside world in some cases. Ben Little, carrier on route No. 2, was only able to serve those of his patrons who reside on this side of the creek, and Jim Grieve, carrier on route No. 1, also had to turn back before reaching the end of his route.

## Roads to be Repaired.

Residents of the Central Point section of the valley will be gratified to know that the county roads in this district are to be repaired and put in passable condition at an early date.

The present condition of the county thoroughfares in this vicinity was brought to the attention of Judge Dunn recently and that official readily agreed to direct the district supervisor to at once commence making such repairs as the demands of Summer travel will require. Heavy grading and graveling in places requiring that method will probably be deferred until Fall, as new gravel on a Summer road is a detriment to travel.

## Important Real Estate Deal.

The fine 1800-acre ranch belonging to Capt. A. M. Short, situated 10 miles east from Central Point, on Rogue River, was sold the other day to R. S. McDowell, of Pasadena, California. Mr. McDowell will make his home on the place, and has already planned extensive improvements. The consideration has not been made public.

## Recent Deaths.

### Mrs. Sarah B. Ladd.

Mrs. Sarah B. Ladd died at the home of her daughter, Mrs. J. L. Arnett, two miles north of this place, last Sunday morning, of cancer of the stomach, aged 75 years 2 months and 16 days.

Deceased was born at Foxcroft, Me., where she spent the greater portion of her life, she and her husband coming to Oregon only ten years ago. Her husband, Nathaniel Ladd, a veteran of the civil war, died at Klamath Falls three years ago. Mrs. Ladd was the mother of ten children seven of whom survive her. They are: Mrs. J. L. Arnett and C. F. Ladd, of near this place, William and Ralph Ladd, of Hornbrook, Calif., and one daughter and two sons who reside in Maine.

The funeral was held from the residence Tuesday afternoon Rev. Sweeney conducting the services. Interment was made in Central Point cemetery.

### Miss Marie May.

Miss Marie May died at the home of her parents near Grants Pass Monday of last week of quick consumption.

Until a few weeks before her death the deceased resided with Mrs. M. M. Cooksey, of this place, and was well known and highly respected here for her many excellencies of character. Her health failing to some extent, she went home for a visit with her parents and almost without warning the end came as above stated.

The funeral took place at Grants Pass on Wednesday.

## Cures Winter Cough.

J. E. Gover, 101 N. Main Str., Ottawa, Kans., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Horehound Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to be up and well." 25c, 50c and \$1.00. Sold by Central Point Pharmacy.

## Table Rockets

The high water Monday cut off our mail and left us without our school teacher. The teacher's place was filled by Mrs. E. O. Bissell, who took charge and conducted the exercises in a manner which showed she was no novice at the business.

Col. Washburn began the spraying of his orchard last week.

Our Sunday-school is preparing a suitable program for Easter Sunday, to which all are invited.

The telephone wires are all up and we hope to have the instruments installed in time to send the Herald an Easter greeting.

A large number of fruit trees are still to be planted here, the ground not yet being in suitable condition.

Miss Margaret Nealon is teaching the Spring term of school in the Chapparel district.

## Card of Thanks.

We wish to express our heartfelt thanks and appreciation to the friends and neighbors who so kindly extended assistance and sympathy at the time of our recent bereavement.

Mr. and Mrs. J. L. Arnett, C. F. Ladd.

## Promises to the Dying.

A clergyman, discussing unhappy love affairs, said:

"Many a love tragedy is caused by a husband's promise to a dying wife that he will not marry again. He thinks when he makes this promise that it will be easy to keep. Whether it is easy or hard to keep, it is a promise rarely if ever broken. Time and time again widowers have sought me out for advice on this subject. They are in love, but they promised their dead wives not to marry again. Shall they break or keep this promise? I can only advise them to do as their conscience dictates. At the same time I think it is selfish of dying wives to extract such promises from their broken hearted husbands. Such promises, by the way, are rarely extracted by dying husbands from broken hearted wives. But, then, when the dead husband's will is read it is usually found that if the widow marries again the money is all taken from her. So it comes to the same thing in the end, doesn't it?"—New York Press.

## Famous Collection of Antlers.

Of the famous collections of antlers formed in the seventeenth century only two or three have escaped the general fate of conflagrations, sieges and pillage. One of these is in Moritzburg, the king of Saxony's historical hunting castle, near Dresden, while in the celebrated gun gallery in Dresden itself are to be seen in an unrivaled show the wonderfully inland arms used by the elector. The great banquet hall of the castle of Moritzburg is one of the sights with which no doubt many a traveled reader has been charmed. It is a chamber of noble proportions, sixty-six feet long by thirty-four wide and thirty-eight feet high. On its otherwise unadorned white walls hang seventy-one pairs of magnificent antlers, which one may describe as the most famous of their kind in the world. Not a single one carries less than twenty-four times or is less than 200 years old, while some are probably double that age.

## A Celebrated Clock.

The art of the clockmaker has achieved many remarkable triumphs during many centuries. Sometimes it is a clock wonderful for the complexity of its movements and its busy population of automatons that attracts our admiration, like that in the Cathedral of Strassburg. At other times the immense size of the machinery and the dial excites astonishment. This is the case with the celebrated clock in the tower of the Church of St. Rombaut at Mechlin. A writer in La Nature thinks this clock possesses the largest dial that exist in the world. There are four of them, one on each side of the great square tower, and their extreme diameter is nearly thirty-seven and one-half feet. The figures showing the hours are nearly six and one-half feet high, and the hands have a length of nearly twelve feet.

## The Old Fashioned "Hired Girl."

The "hired girl" (we never, never alluded to her as "the maid" in the small American town or quiet country place where you and I were "raised") was like one of the family, and mother was glad to have her help, and none of us put on any frills with her, and she was not compelled to put on any frills of cap or apron with us. Ofttimes, especially in the quiet country places, her social standing was as good as that of anybody else. Usually she was one of a grown family of girls. There was plenty of help at her house, and so she came and assisted our mother at our house. In their hours of ease mother and she discussed the neighborhood gossip together. The "hired girl" had her beau, a neighbor's stolid, sheepish son, and much was she joked about him, and finally, after years of faithful and friendly servitude, she married him. We went to the wedding, and it was quite a social affair, with much temperate merriment and with many cheap but useful presents.—Everybody's Magazine.

## People are Waking Up

on the orchard proposition in the Rogue River Valley. A good orchard on the right kind of land is very attractive.

The right kind of an orchard will prove a bonanza; the wrong kind is sure to prove a "white elephant" on the owner's hands. A man who is not in touch with the orchard business cannot put you right on the proposition any more than a blind man can lead a blind man. If you want to avoid getting left with a "white elephant" on your hands, do business with the

## Rogue River Land Company, Medford, Oregon.

They are in touch with the orchard business, thoroughly familiar with every tract in the valley, know what each district is best adapted for, and they will see that you are put right in every instance. Every man who has ever bought through this agency can sell to-day for a great advance over his purchase price. This is endorsement enough. Consult any business man, bank or orchardman in the valley as to their reliability.
