In Memoriam.

Headquarters W. H. Harrison Post, No. 67.

Department of Oregon G. A. R. Whereas, Through the work of a great and unchangeable natural law this Post is again called upon to suffer the loss of one of its most valued members in the death of Comrade John Milton Vermillion, who died March 29, 1907, aged 62 years, 3 months and 16 days.

He served with distinction in Company G, 12th Kansas Infantry, and joined this Post by transfer and at the time of his death was J. V. C. of the Post. He was suddenly stricken with apoplexy and died three hours later. And now be it

Resolved: That in the death of Comrade Vermillion this Post has lost a genial member, the community an honest and respected citizen, and his four children—Linnie McDowell, of Ashland; Elmer, Vermillion, of Eastern Oregon; Charles and Clifford Vermillion, of Central Point—a kind and loving parent, and that these resolutions be sent to the Central Point Herald and Medford Mail for publication.

Committee: MERITT ELLIOTT, JOHN TURRILL, GEO. H. PERKINS.

JUST BECAUSE

your cough is only in the throat and does not trouble you now, don't think that it needs no attention. When it has not had much of a start is the time to check it. The slightest cough easily leads to Pneumonia, Bronchitis and Consumption. A bottle of Ballard's Horehound Syrup will cure that cough. The price puts it within reach of all. Sold by Central Point Pharmacy.

Beal--Wood.

A quiet wedding was solemnized last Sunday evening at 8:00, when Miss Alta Wood became the bride of Mr. Ralph H. Beal.

The happy event took place at the home of the groom's mother, in this city, with only the immediate relatives of the happy couple in attendance. The ceremony was performed by Justice of the Peace T. M. Jones.

Both the bride and groom are well and favorably known here, where a host of friends will unite in congratulations and best wishes.

Mr. and Mrs. Beal left Monday morning for Hills, California, where they expect to spend the Summer.

"Lousey With Gold."

A miner of Ashland, who has been working at the Blue Ledge copper mine on Elliott creek, returned Tuesday and reports three men having made a phenomenal gold discovery on one of the north forks of Elliott creek in Jackson county, about twenty miles southwest of Ashland. Just before the late heavy storm came on three young men from the East who were working at the Blue Ledge, and knew next to nothing about gold or prospecting, started out with pick and pan one bright morning to find a gold mine, with every confidence that they could go up one of the creeks in the mountains and pick out the gold from some of the crevices in the rocks. The old time miners and prospectors in the camp winked at one another and let them go. In picking amongst the strata of rock, where no "experienced" prospector or mining expert would stop to even look, they struck a vein of rotten quartz "lousey with gold." The first three panfuls taken out and crushed in a crude manner gave returns of \$120, \$102 and \$123 pure gold.

FOR SALE.

Sixty-two acres of land, about one-half excellent fruit land, ten acres in bearing orchard—Spitzenburg and Newtown apples, good house and other improvements, two and one-half miles west of Central Point. A big bargain if sold at once. Enquire of L. E. VanVleit, Central Point, Oregon. 48d50

FRIEND TO FRIEND.

The personal recommendations of people who have been cured of coughs and colds by Chamberlain's Cough Remedy have done more than all else to make it a staple article of trade and commerce over a large part of the civilized world.

Biggest Copper Belt.

L. E. King, who registered from Cripple Creek, Colorado, has discovered the greatest copper belt in the United States in Southern Oregon, and tells the Portland Oregonian about it as follows: "The biggest copper belt in the United States, bar none, lies between the Umpqua and Rogue Rivers in Southern Oregon, and the district is so rich in gold that I defy any man to fail in finding a placer property who will stick his pick into any one of the gulches between those two streams. I came to the country for the purpose of experting the Rainbow, and met with an agreeable surprise. It is the only property I have ever examined which was within 20 per cent as good as represented. The Rainbow is far beyond what I had been told, and what I have seen in that country down there convinces me that this state has the greatest mineral possibilities of any in the Union. If the mineral which is in sight in Southern Oregon was in Colorado there would be a stampede tomorrow which would equal that at Cripple Creek at the beginning of the 90's. You people of this town and state are sound asleep as far as your mineral resources are concerned. You have gone crazy over timber and lumbering and letting the greatest opportunity in this country slip away from you. Within five years the people of Portland will stand on the street corners and tell the strangers how they might have become millionaires if they had their wits about them. Inside of five years outsiders will go into Southern Oregon and make 60-day fortunes. The people of Portland are grabbing at two-bit pieces and letting \$20 gold pieces slip through their fingers."

THE ORIGINAL BEE'S
Best for Coughs, Colds, Croup, Whooping Cough, Etc.
LAXATIVE

Baseball Season Opens.

The baseball season was formally opened Sunday by a swift little game between the local public school team and the Medford school team. The home boys were not real nice to the visitors, for they rolled up a score like veterans utterly regardless of the plodding gait taken by the Medfordites, and 3 to 1 was the way they skinned 'em and that wasn't very nice of our fellows, considering that this was Medford's first offense for the season in going up against the real thing. Following is the lineup and score:

CENTRAL POINT	MEDFORD
Kincaid - p	Couey
Marshall - c	Lozer
Peart - 1st	John Couey
Farra - 2nd	"Shorty"
Welsh - 3rd	Schultz
Holmes - ss	"Windmill"
Ingram - rf	"Bill"
Mann - lf	H. Schultz
G. Holmes - cf	Reynolds.

Umpire—Ben Peart.

Score—Central Point, 21; Medford, 7. Two games are billed for next Sunday at Medford, when the public school team of C. P. will again tangle bats with the Medford school team in the forenoon, and the Central Point Eighth Grade team will do some business with the Medford North School team in the afternoon.

GOOD JUDGEMENT

is the essential characteristic of men and women. Invaluable to good business men and necessary to housewives. A woman shows good judgement when she buys White's Cream Vermifuge for her baby. The best worm medicine ever offered to mothers. Many indeed are the sensible mothers, who write expressing their gratitude for the good health of their children, which they owe to the use of White's Cream Vermifuge. Sold by Central Point Pharmacy.

This Valley the Best.

F. W. Fansher returned last Thursday evening from a trip to Denver, where he went on business connected with the payment of an insurance policy in the Woodmen of the World. On his return trip Mr. Fansher visited Grand Junction, Colorado, Boise, Idaho, Hood River and other noted fruit sections, but he returned to the Rogue River Valley more firmly convinced than ever that no other section in the country can compete with us in the production of fine, commercial fruits when all things are considered. In all the sections visited he found land values immeasurably higher than here and in the matter of climate he says none of them are "in it" with us. He thinks people here have not begun to appreciate the richness of this valley, and prophesies great things for us in the near future.

DON'T PUT OFF

for tomorrow what you can do today. If you put off buying a bottle of Ballard's Snow Liniment, when that pain comes you won't have any, buy a bottle today. A positive cure for Rheumatism, Burns, Cuts, Sprains, Contracted Muscles, etc. T. S. Graham, Prairie Grove, Ark., writes: "I wish to thank you for the good results I received from Snow Liniment. It positively cured me of Rheumatism after others had failed." Sold by Central Point Pharmacy.
