Rogue River was lined with fishing parties Sunday, but the trout were unusually wary and the catch was very light. Eli Jones made the biggest catch reported for the day, bringing home a baker's dozen (13) of the finny tribe.

Christian Science services are held every Sunday morning at 11 o'clock in G. A. R. hall. All are kindly invited to attend these services. Subject for next Sunday, "Everlasting Punishment."

Dr. J. W. Robinson, C. P. Briggs and Peter Applegate, school directors of Jacksonville district, were here during the week looking over our new school building getting ideas for the new school house to be erected at Jacksonville next Summer to take the place of the building recently destroyed by fire.

TO THE PROPERTY OWNERS OF JACKSON COUNTY AND ELSEWHERE—List your property with the Central Point Real Estate Company. We can sell it, as we have 5000 Eastern correspondents. 48tf

The corner lot on the west side and adjoining the E. L. Farra property and belonging to the estate of the late Forest Hecox was appraised last Saturday at \$350. A small tract of unimproved land near the cemetery belonging to the same estate was also appraised at \$200. Mr. Hecox, who left here less than a year ago, died recently in California.

Hurried meals, lack of exercise are the main causes of dyspepsia. A Rings Dyspepsia Tablet after each meal aids digestion, improves the appetite. Sold by Mary A. Mee.

Mrs. Lottie Owen of Spokane, Washington, is visiting her sister, Mrs. W. C. Evans.

There are many kidney remedies but few that accomplish the result. "Pineule" is a kidney remedy that contains no alcohol or opiates of any kind, complies with the National Pure Food and Drugs law, guaranteed to give satisfaction. Thirty day treatment for \$1.00. Inquire about "Pineules" at Mary A. Mee's drug store.

Justice Should be Done.

The state of Idaho has appropriated \$100,000 to be expended in the prosecution of Moyer, Haywood and Pettibone next month, and it is said that the Western Federation of Miners has raised \$750,000 to be used for their defense. It is to be hoped that while these tremendous powers are striving, the one to convict and the other to acquit, the judge and jury at least will bend their efforts to finding out whether these men are guilty or innocent. That is what the public wants to know.—Ex.

"Better than Shingles or Tin"—Rex Flintkote roofing is better than either shingles or tin. In fact, it is the best house covering made. If you are building be sure and investigate "Flintkote" before contracting for your roofing. For sale by W. C. Leever. 50tf

Almost a Fire.

Small boys at play in the alley between the Rostel and Wetzel properties last Monday afternoon started an incipient blaze that would have resulted seriously to that part of the town had it not been discovered in the "nick o' time." The lads started a small bon fire in the alley and, tiring of the sport, went away and left it and in a few moments the fire spread to the Wetzel barn and was blazing merrily on the wall when discovered by Dave Grim and Mr. Pleasants. Two or three minutes more would have meant a serious conflagration. Two lessons may be gathered from this incident, to-wit: Every citizen should keep his part of the streets and alleys clean and free from rubbish and inflammable material, and all parents of small children should keep the kids and the match box as widely separated as possible.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Man Zan Pile Remedy is encased in a collapsible tube with nozzle attachment. It cannot help but reach the spot. Relieves blind, bleeding, itching and protruding piles. 50 cents with nozzle guaranteed. Try it. Sold by Mary A. Mee.

Signs of Summer.

Early garden vegetables plentiful.

Peas in full bloom and pods forming.

The first load of new alfalfa was brought to town Saturday by Sam Murray from his Bear creek farm.

An alfalfa field on the Beebe farm, at the Bear creek bridge, looked last Sunday to be almost ready to cut. The haying season will soon be here.

J. H. Gay, the well known lumberman, acquired an industrious spell last Thursday and went out to hoe his new potatoes. The spuds were planted early in February and have been thriving. A hard whack at a big weed uncovered a "hill" of the new tubers and old rolled half a dozen spuds as big as some hen eggs.

Tuesday, April 23rd, the rattle of the first mowing machine for the season of 1907 was heard. It was running in a young orchard between Central Point and Medford cutting an abundant growth of flegree, wild oats grain and grasses. The mowing was necessary before it was possible to properly plow and cultivate the orchard but the new-cut hay is worth infinitely more than it cost for feed for the dairy herd.

Cupid Gets Busy.

Cupid, the little rascal, got busy last week and furnished two genuine surprises to the town in two marriages, which were so quietly planned and carried out that only the principals were into the secret until after the knots were tied.

Wednesday afternoon Mr. Harry Cingcaid and Mrs. Lulu Perry drove over to Jacksonville, where they secured the necessary license and were quietly married. They returned to Central Point in the evening and with a few close friends enjoyed a sumptuous wedding supper at the Hotel Jackson, after which they took the 11:00 p. m. train south. They expect to locate at Klamath Falls.

Thursday evening Mr. William B. Avery and Miss Irene Dawson, both well known and popular young people, called at the home of Justice of the Peace T. M. Jones, where they were united in marriage by that magistrate. They will reside in the Jeffers cottage. The HERALD joins other friends of these young people in usual congratulations and good wishes.

Gentle and Effective.

A well-known Manitoba editor writes: "As an inside worker I find Chamberlain's Stomach and Liver Tablets invaluable for the touches of biliousness natural to agentry life, their action being gentle and effective, clearing the digestive tract and the head." Price, 25 cents. Samples free. For sale by Mary A. Mee.

"Abstemious" and "facetious" are the only words in English having the vowels in their order.

Coughs and colds contracted at this season of the year should have immediate attention. Bee's Laxative Cough Syrup contains Honey and Tar and is unequalled for hoarseness, croup and coughs. Pleasant to take; mothers endorse it; children like to take it. Contains no opiates. Moves the bowels. Sold by Mary A. Mee.

The Railroad Situation.

At the receiver's sale of the Medford—Crater Lake road, at Jacksonville last Saturday, Dewing & Dudley, of Kalamazoo, Michigan, were the successful bidders, the road being knocked off to them for \$62,700. The sale was not looked upon as final, however, as under the law all such sales are held open for five days, during which time if any other bidder appears and raises the highest bid 10 per cent the sale will be reopened. It appears that on Tuesday another bid was filed, but at this writing the HERALD has not been able to learn who the bidder is or the amount of the same.

Dudley & Dewing are wealthy lumbermen of Michigan and are said to be abundantly able to build the road, and, as they are among the heaviest holders of timber lands in the Butte Falls country, it may be assumed that they mean business. Their representatives have already announced that whether or not they secure the Medford road they propose to own a road to the timber, and as they have already incorporated the Butte Falls & Western Railroad company and have started a survey from Butte Falls towards Central Point it is by no means certain that a road will not be built and in operation from this place to Butte Falls before the bunchgrass can be grubbed from between the ties and the rails of the Medford road can be uncovered from the debris accumulated during the past two or three years.

Central Point has many advantages to offer as a railroad terminal that other towns in the valley do not enjoy. We are some three or four miles nearer Butte Falls than any other town in the valley; we have an abundance of pure water within a few feet of the surface and an adequate water system for municipal, domestic and industrial uses practically assured for the present year; we have not one dollar of municipal indebtedness to saddle on new railway or manufacturing companies that may cast their lot with us within the next few months. Beside this, Central Point people have not yet forgotten that the town has already turned down one railroad proposition to the serious disadvantage of the town, and the men who were boys when that deplorable affair transpired but who are now leading spirits in the business life of the community have no intention of repeating the mistakes of their fathers.

Central Point is fully awake to her present opportunities and her people are ready and anxious to extend a cordial welcome to the Butte Falls & Western, the Medford & Crater Lake or any other railway company that is just now looking for a likely place to connect with the Southern Pacific without going against an appalling tax levy or an old time family row.

WHY

have a torpid liver when Herbine, the only liver regulator, will help you! There is no reason why you should suffer from Dyspepsia, Constipation, Chills and Fever or any liver complaints, when Herbine will cure you. F. C. Wate, Westville, Fla., writes: "I was sick for a month with chills and fever, and after taking two bottles of Herbine am well and healthy." Sold by Central Point Pharmacy.

Another Deer Story.

That Central Point is not only the center of the greatest fruit and farming belt in the world, but is also the gateway to nearby spots ideal for the sportsman, is shown by many little true stories of real life from the woods which have appeared from time to time in these columns.

The latest and one of the best deer stories yet told is related by Eli Jones, who in company with Booth Lee strolled over to Rogue River in the vicinity of the mouth of Bear Creek last Saturday to catch some trout. There is a body of rather heavy timber down there and, in trying to reach a good fishing place, Mr. Jones was obliged to crawl through the brush for a considerable distance. Getting weary, he sat down on a log to rest, and after a few minutes he heard something approaching through the brush. Looking around he espied a big buck deer strolling down the trail directly toward him, and not having his hook baited for that kind of game he sat still. The deer passed within three feet of him and when he was broadside Jones gave him a vigorous poke in the ribs with his fishpole. "Ugh," grunted the surprised buck, and he got a move on himself like a quarter horse. Mr. Jones loosened a handful of hair from Mr. Deer's side with the blow, which he brought back to town with him to prove the story.

Improper action of the kidneys causes backache, lumbago and rheumatism. "Pineules" is a kidney remedy that will relieve these diseases. Pleasant to take and guaranteed to give satisfaction or money refunded. "Relief in every dose." Sold by Mary A. Mee.

Will Observe Memorial Day.

A joint meeting of the G. A. R. and the W. R. C. was held at the opera house last Saturday afternoon to arrange for a proper observance of Memorial day. The following committees of arrangements were appointed by the two organizations to act together in arranging a program: G. A. R.—G. W. Perkins, John Wright, W. P. Twomey. W. R. C.—Miss Ella Stone, Miss Lulu Gardner, Mrs. Eva Hanby.

Committee on Decorating Hall—Mesdames Selby, Fries, Purkepile and Kelsay.

Invitations will be issued to all other lodges and societies in the town to join with the veterans and their auxiliaries in observing this day.

An able speaker from abroad will be present to deliver the principal address of the occasion.

Everyone knows that Spring is the season of the year when the system needs cleansing. Dade's Little Liver Pills are highly recommended. Try them. Sold by Mary A. Mee.

Table Rockets

Our telephone line will be extended to the Beagle postoffice, taking in the Antioch section. The plans were completed Monday and work on the extension will begin at once.

Leslie Davis has recovered from his spell of sickness and was able to take in the circus at Medford Monday.

Mr. E. O. Bissell lost a valuable cow lately from alfalfa bloat.

Mr. Hale, the Medford piano dealer, delivered one of his fine instruments at the Nealon home last Saturday. He reports business in his line excellent, which speaks well for the prosperity of our section.

Dr. Jones, of Medford, came out in his auto Sunday to see D. M. Grisham, who is on the sick list.

Our telephone line enables us to enjoy nightly concerts at our homes. Thanks to the kindness of Messrs. J. G. Morrison, Havey Richardson and others who turn loose their excellent graphophones and the taking down of our "receivers" does the rest.

Mr. E. J. Kirby, of Willow Springs, and Miss Ruby Russell, from Agate, visited here Sunday and attended the Sunday-school.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—MRS. SARAH A. COLE, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by Mary A. Mee.

Educational Editor Here.

Charles Jones, editor of the Oregon Teachers' Monthly, was in town last Friday in the interest of his publication. While in town he arranged for an historical article on the Central Point public school, which will be published in an early issue of the Monthly. He also secured a photograph of the three school houses which have been built in this district, with which the article will be illustrated. The pictures will show something of the growth and progress along educational lines which Central Point has witnessed during the past 40 years.

Spring winds chap, tan and cause freckles to appear. Pine Salve Carbolyzed applied at night will relieve that burning sensation. Nature's own remedy. Acts like a poultice and draws out inflammation. Sold by Mary A. Mee.

Getting Her Legal Rights.

An old colored woman, arrayed in a rusty black dress and a gorgeous purple picture hat over which was a black crape veil, appeared at the courthouse of a Carolina town. "Am yo' de judge ob reprobates, sah?" she asked, cautiously opening a crack of the office door. "Yes, I am the judge of probate, aunty. What can I do for you?" was the smiling reply. "Yassah! Tanky, sah! I's hosh 'cause mah ole man died detested an' lef' fo' 'is' infidels, an Ah wanter be 'pinted ter be dere executioner, ef yo' please, sah."—Success Magazine.

Hinged Houses.

An American visiting Dublin told some startling stories of the height of New York skyscrapers.

"Ye haven't seen our newest hotel, have ye?" asked an Irishman.

"No," replied the Yankee. "Well," said the Irishman, "it's so tall that we have to put the two top stories on hinges."

"What for?" asked the American. "So we can let 'em down while the moon goes by!" said Pat.—Pearson's Weekly.

When Not to Leave a Balloon.

It is a hideous and unpardonable offense to jump out the moment the car touches the ground. The veriest novice should know that a balloon always bounces twice before settling herself for the third and last time on the ground, and you must stick to her till it is all over.—Princess Di Tanno in Strand Magazine.

A Sad Case.

"This milk is blue," said the customer angrily.

"I know it, and I'm very sorry," replied the milkman, "but the weather we've been having lately has given the cows melancholia, and it shows up in the milk."—Brooklyn Citizen.

One Condition.

Mr. Wysun—I want you to have everything that is good for you, my dear Mrs. Wysun—Oh, thank you, John. Mr. Wysun—But remember that I am to be the judge of what is good for you.—Cleveland Plain Dealer.

People are Waking Up

on the orchard proposition in the Rogue River Valley. A good orchard on the right kind of land is very attractive.

The right kind of an orchard will prove a bonanza; the wrong kind is sure to prove a "white elephant" on the owner's hands. A man who is not in touch with the orchard business cannot put you right on the proposition any more than a blind man can lead a blind man. If you want to avoid getting left with a "white elephant" on your hands, do business with the

Rogue River Land Company, Medford, Oregon.

They are in touch with the orchard business, thoroughly familiar with every tract in the valley, know what each district is best adapted for, and they will see that you are put right in every instance. Every man who has ever bought through this agency can sell to-day for a great advance over his purchase price. This is endorsement enough. Consult any business man, bank or orchardman in the valley as to their reliability.
