Making Garden?

Better throw those old, rusty, rickety tools into the scrap-heap and buy some new ones fit to work with. Save your strength and temper by using good tools. Be wise. Buy a

whatever you need to make your work easy. Time and muscle are worth too much money per hour to waste either on poor, wornout tools.

Cured of Rheumatism.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in the left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned. If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by Mary A. Mee.

Dr. Pleasants Seriously Ill.

Friends of Dr. J. H. Pleasants, a former well-known physician of this place but who removed to Portland with his family last Summer, will regret to learn of his serious illness at his home in that city. The attending physicians hold out no hope for his recovery and the end may come at any time.

EUREKA!

Yes, I Have Found it at Last.

Found what? Why, that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. I had to get up three or four times every night and wash with cold water to allay the terrible itching, but since using this salve in December, 1905, the itching has stopped and has not troubled me.—ELDER JOHN T. God's Country.

W. S. Moran, of Grand Forks, N. D., was here during the week looking over the best valley on earth with a view to securing a permanent home. He is engaged in the railway mail service in Dakota, but has tired of the rigorous climate of that state and wishes to find a location, as he puts it, "in God's country." Mr. Moran is an old-time friend of L. Hatfield, the well-known merchant.
