The Sale is Confirmed.

Judge Hanna has confirmed the sale of the Medford & Crater Lake railroad to Messrs. Estes and Stryker for \$82,500, the amount bid at the receiver's sale last week. Thus ends the final chapter in the history of an enterprise that has been of brief duration and full of trouble. Vale, M. & C. L. Ry.

The confirmation of the sale, though not unexpected, is gratifying to every business man in Medford, and the price received for the road is far in excess of what would have been realized had the receiver yielded to the popular clamor.

The wisdom of Receiver Reddy's course, once questioned, is now universally applauded, and in justice to those who protested against his refusal to accept the Dewing bid it must be said they were the first to admit their error. Both Mayor Reddy and Manager Hafer of the Iowa Lumber & Box Co. have shown good judgment in handling this proposition for the benefit of the stockholders, and to their enterprise the stockholders are indebted for the extra \$20,000 received for the road.

The work of construction will be commenced at once, the tools and material having arrived today. A man who was for many years roadmaster on an Oregon division of the S. P. has resigned and will take charge of the construction work on the Pacific & Eastern. He will be assisted by H. Jurgens of Medford, M. C. Smith, shop foreman for the S. P. at Albina, will have charge of the motive power.—Medford Tribune.

Teachers Employed.

A full corps of teachers has been employed for the coming school year, which will begin September 16, 1907. The list, as furnished by School Clerk Jacobs, follows:

Principal—A. J. Hanby.
Assistants—Mrs. Eva Hamby, Mrs. Stella Purkeypile, Miss Elizabeth Gibson, of Central Point; Miss Carrie Martin, of Canyonville; Miss Mable Mahn, of Yoncalla; Miss Nellie Crocker, of Ashland.

Less than a year ago the work of the school was handled by four teachers, and the fact that seven is now necessary shows something of the rate at which the town is growing. It is thought probable by some members of the board that by the time school starts it will be found necessary to employ still another teacher to properly handle the work. Should this surmise prove correct it will fill eight rooms of the new school building within less than a year of its completion.

Medicos in Session.

The annual meeting of the Southern Oregon Medical Society was held at Jacksonville on Tuesday of last week, and was attended by medicos from the various cities and towns of this section of the state and also by a number of visiting doctors from Portland, who contributed to the program. It was decided to make the meetings public hereafter.

The following officers were elected: President, Dr. DeArmond, Medford; vice-president, Dr. A. F. Seither, Glendale; secretary-treasurer, Dr. A. C. Seeley, Roseburg. A banquet followed the election of officers. The next place of meeting is Roseburg.
