Obituary.

Mrs. Bertha Stidham Parsley, wife of G. T. Parsley, died at her home in Jacksonville last Saturday morning, aged 19 years, 9 months and 11 days. Deceased was a native of this county, having been born at Woodville August 12, 1887. During her babyhood her parents removed to this place and here she grew to womanhood, one of the most beloved and popular young ladies in the community. She was a member of the graduating class of the Central Point High School in 1905 and her friends here and in all parts of the county were legion. Last December she was married to Mr. George T. Parsley, since when they resided in Jacksonville. Besides her heartbroken husband she is survived by an aged mother, Mrs. D. J. Stidham, and three brothers and three sisters, as follows: P. J. Stidham and Mrs. John Ross, of Jacksonville; George Stidham, Grants Pass; John Stidham, Prineville; Mrs. Stella Purkeypile, Central Point, and Mrs. Messner, of Klamath Falls. The remains were brought to this place for interment Sunday afternoon, when beautiful and impressive funeral services, conducted by Prof. A. J. Hanby, were held in the First Christian church, after which the Knights and Ladies of Security, of which deceased was a member, conducted their ritualistic service at the grave in the Central Point cemetery. The funeral cortege was one of the largest ever seen in this valley and the floral offerings were at once profuse and beautiful.

Has Returned From Harney.

B. R. Porter returned last Thursday from an extended business trip to Harney County, where he went about a month ago. His daughter, Mrs. Reed, wife of a prominent merchant of Burns, returned with him and will make an extended visit here with the home folks. Mr. Porter also brought home with him 22 head of fine work horses, which he will put on the market at this place. Mr. Porter says the Harney country is booming and is full of railroad surveyors, but as yet no permanent locations have been made. The question at Burns is whether or not the road east and west will strike that town, and Mr. Porter is of the opinion that it will not. The Sumpter Valley road, however—if built into the valley—will surely strike Burns.

Tetter Cured.

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community. —M. H. RODNEY & Co., Almond, Ala. Chamberlain's medicines are for sale by Mary A. Mee.

G. W. Beale, of Big Butte, was in town last Thursday and made this office a pleasant call. Mr. Beale enjoys the distinction of being the first paid-in-advance subscriber to the HERALD when the paper was started more than a year ago.

A Prolific Crop.

J. W. Merritt has just finished harvesting a crop of volunteer barley hay on a 15 acre tract west of town that yielded good three tons of excellent hay to the acre. This makes seven heavy crops of fine hay that Mr. Merritt has cut from the same field from two seedings, which shows something of the prolific qualities of Rogue River valley land. This same field has been farmed continuously to grain and hay for more than fifty years and Mr. Merritt states that the last crop of wheat taken from the ground, some seven or eight years ago, yielded 747 bushels, or a small fraction less than 50 bushels per acre. Is it any wonder that all Rogue River Valley people are predisposed to develop into first-class boosters when they have such yields to talk about?

Do Not Neglect the Children.

At this season of the year the first unnatural looseness of a child's bowels should have immediate attention. The best thing that can be given is Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by castor oil as directed with each bottle of the remedy. For sale by Mary A. Mee.

Railroad Refuses Tender.

In reference to the tender of money and applications for land made to the S. P. Co. official at San Francisco this week, A. N. Orcutt, who is acting as attorney for about 100 Roseburg applicants, in company with Mr. Al Creason, visited the S. P. Co. offices in that city and made formal and legal applications, tendering money for same. For two days, said Mr. Orcutt, we could not get a hearing, as the railway people positively refused to see us. When we did get an audience our application and tender was promptly refused. We left copies of the applications and came home and will now take legal steps to force our claim. We are also forwarding to the company applications and tenders from other individuals. The case will go to the United States Circuit Court, and from there on up to the Supreme Court. While we hope for success it will necessarily take a long time to get this important case adjusted. —Roseburg News.

Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation. Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough. Chamberlain's Pain Balm (an anti-septic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains. Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles. Chamberlain's Salve for diseases of the skin. One bottle of each of these five preparations costs but \$1.25. For sale by Mary A. Mee.

Keep Off the Track.

Some few skeptics refuse to believe that the regular service promised by Manager Estes, of the P. & E., will be inaugurated on or about June 10th. To these we will say: Just be careful about picketing your cow on the right of way on that date.—Tribune.

THERE ARE FEW

people who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for Chills and Fever and find it the best medicine I have ever used. I would not be without it. It is as good for children as it is for grown-up people, and I recommend it. It is fine for La Grippe." Sold by Central Point Pharmacy.
