Graduating Exercises.

The graduating exercises of the Central Point schools were held in the opera house Thursday and Friday evenings of last week.
Thursday evening the Eighth grade graduates presented an excellent program. Miss Lillian Marshall gave the address of welcome, Miss Blanch VanVleit the class history, Edward Kahler the class prophecy, Misses Edith Brown and Edith Caley read excellent essays and Miss Rose Wickman recited the classic, "Jean Valjen." The musical numbers were given by Mrs. Mabel Bracons, of Seattle, and Mr. O. C. Purkepile, of this place, piano and violin; Misses Cora Cliff and Rose Fielder vocal solos, and Misses Esther Merritt and Fay Pleasants instrumental music. The class songs, "Greeting Glee" and "Adieu" were enjoyable features. Presentation of diplomas was made by B. F. Peart, president of the school board.
The High School commencement program Friday evening was highly enjoyed by a large audience.
The two graduates, Misses Clella Caley and Maud VanVleit, delivered excellent orations. Miss Caley chose for her subject, "True American Heroes" and Miss VanVleit spoke on "Development of American Literature." Both young ladies acquitted themselves with credit to themselves and to the school. The musical numbers were furnished by Mrs. Mabel Bracons, Miss Nora Beebe, O. C. Purkepile and Mr. Jas. E. Geieve and were much enjoyed by the audience. Mrs. Bracons is an accomplished pianist, of Seattle, and the others named are all well known local favorites.
Diplomas were presented to the graduates by Mr. B. F. Peart, president of the school board, after which Prof. B. F. Mulkey, of the Ashland Normal, delivered the class address. Prof. Mulkey is a favorite in this city and his excellent address was well received and much enjoyed.

Resolutions of Sympathy for Mrs. Bertha Parsley.

"Death loves a shining mark
A signal blow."
We, the members of Central Point Council, No. 1067, Knights and Ladies of Security, while fully realizing the futility of words at such a time, wish in this simple, friendly way to express our respect for our deceased sister, Mrs. Bertha Parsley, and our sincere sympathy with the bereaved ones.
Whereas, God, in His allwise and divine providence, has seen fit to invade our Council again, and after a short period of pain and suffering, has removed by death our beloved sister, Bertha Parsley, bringing to our minds a realization of the truth that the day and hour that any of us may be called to bid farewell to earth, no one knoweth; and
Whereas, With many happy and useful years in prospect; endowed with those noble qualities that enrich and elevate by association; with everything to hope for, it is beyond comprehension, why, in passing, the angel of death should pause to take this sister! But it is not in our province to ask why, not ours to wonder why. But, trusting as we do in His holy wisdom, we accept our fate with perfect faith in His omniscience; therefore, be it Resolved, That Central Point Council, No. 1067, Knights and Ladies of Security, tenders its sincere and heartfelt sympathy to the bereaved husband, mother, sisters and brothers and other relatives and numerous friends in their anguish and grief, and beg leave to share in their sorrow, as we are painfully aware that we have lost a good member and friend, whose many kind and loving acts are all the more emphasized by her being taken from our midst. It is in our sense that no family, no community, no order ever possessed a truer or better member; and in acknowledging the inevitable we do so with sore hearts and we trust, pardonable grief. And be it Resolved, That a copy of these resolutions be tendered the bereaved family, a copy sent to the city press and that our charter be draped in mourning for thirty days.
Dear loved one we have laid thee
In the peaceful grave's embrace,
But thy memory will be cherished
Till we see thy heavenly face.
Peaceful be thy silent slumbers,
Peaceful in the grave so low;
Thou no more will join our numbers,
Thou no more our songs shall know.
Yet again we hope to meet thee,
When the clay of life is fled,
There in heaven with joy to greet thee,
Where no farewell tear is shed.

Mrs. Cecelia Jones,
Mary A. Mee,
Thomas M. Jones.

Back From The East.

Mr. and Mrs. F. H. Hopkins arrived from San Francisco Sunday evening, at which point Mrs. Hopkins joined her husband on his return from the East. Mr. Hopkins expressed himself as being glad to be back in the Rogue River Valley after the disagreeable climatic conditions he encountered in the eastern portion of the United States. He left here about May 20, going directly to New York, and after arriving there encountered a snow storm on Broadway. All over the east the season is very backward and vegetation was hardly more than started as he came west. Coming over the Sierra Nevada, a few days ago, the train ran through a blinding snow storm, with old snow piled on each side of the track several feet deep. Mr. Hopkins is more than ever of the opinion that no other portion of the country compares with the Rogue River Valley. Mr. Hunt Lewis, of Medford, accompanied Mr. Hopkins on his eastern trip.

THERE ARE FEW

people who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for Chills and Fever and find it the best medicine I have ever used. I would not be without it. It is as good for children as it is for grown-up people, and I recommend it. It is fine for La Grippe." Sold by Central Point Pharmacy.

Table Rockets

The exercises on Children's Day were well attended and were quite interesting.

But little interest was taken in the school election, only 7 of our 28 voters being in attendance. E. S. Hitzler was elected director and E. O. Bissell clerk.

C. C. Glerist, the Gold Hill butcher, calls here on Mondays, which is a great convenience to those who like to indulge in fresh meat.

Several of our residents were in Jacksonville last Thursday, being interested in an injunction case before Judge Hanna. One citizen was fined one dollar for contempt of court, which goes to show there was not much contempt.

S. M. Nealon took a trip last week to Butte Falls and Mount Pitt and got well shook up.

The hail storm last week did some damage to tender vegetables.

Colic and Diarrhoea.

Pains in the stomach, colic and diarrhoea are quickly relieved by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by Mary A. Mee.

Miss Lulu Ward, one of the teachers in the city schools during the past year, left Monday morning for her home at Phoenix. Miss Ward will attend the Ashland Normal school during the coming school year.

Tonight.

Normal Notes.

Misses Kaiser and Wickersham are busy preparing records for the students and teachers of the training department.

The following officers of the student body were elected last Monday for the ensuing year: President, George Martin; vice-president, Clara Sylvester; secretary, Emily Brown; treasurer, Stanley Wood.

Mr. James Martin, a graduate of the '06 class, visited the Normal last Friday. Mr. Martin has been teaching at Woodville during the past year.

Miss Case, teacher of Elocution and English, left Wednesday evening for New York, where she will meet several of her classmates and they will go to Italy, thence to Switzerland, France, Germany and England. Miss Case expects to return in September.

The students of the Eighth grade are taking the state examination this week.
A faculty dinner was given in Miss Kaiser's office last Wednesday noon in honor of Miss Case, who left for a trip abroad Wednesday evening.

Do Not Neglect the Children.

At this season of the year the first unnatural looseness of a child's bowels should have immediate attention. The best thing that can be given is Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by castor oil as directed with each bottle of the remedy. For sale by Mary A. Mee.

People are Waking Up

on the orchard proposition in the Rogue River Valley. A good orchard on the right kind of land is very attractive.

The right kind of an orchard will prove a bonanza; the wrong kind is sure to prove a "white elephant" on the owner's hands. A man who is not in touch with the orchard business cannot put you right on the proposition any more than a blind man can lead a blind man. If you want to avoid getting left with a "white elephant" on your hands, do business with the

Rogue River Land Company, Medford, Oregon.

They are in touch with the orchard business, thoroughly familiar with every tract in the valley, know what each district is best adapted for, and they will see that you are put right in every instance. Every man who has ever bought through this agency can sell to-day for a great advance over his purchase price. This is endorsement enough. Consult any business man, bank or orchardman in the valley, as to their reliability.

It has been estimated that there are 80,000 minor poets in the United States. Now to think what effect on the divorce problem would be exercised by an uprising of this widely distributed army in defense of Mrs. Lawrence, the Toledo poetess, who has secured a divorce because her husband took delight in collecting clippings which criticised adversely her poetic effusions!

A Baltimore physician suggests the use of criminals as germ culture mediums. The idea might be a good one if there were means of preventing the walking germ colonies from making their escape from the experimental laboratories and thus robbing the scientists of the fruits of their labor.

Out For the Dust.

Eva—Have you decided to accept this young man, Katharine? Katharine—No. At present I look upon him merely as a pack of cards. Eva—A pack of cards? Katharine—Yes. If he has the long green I shall make a deal. Eva—And if he has not? Katharine—Then I shall cut him.—Chicago News.

On the Wozy Mississippi.

A humorist has said "the Mississippi river is so crooked in places that a steamer going south has been known to meet itself coming north, giving passing signals and narrowly escaping a collision with itself."—Detroit Free Press.

Do You Love This Old Town?

If you do, of course you want to see the town grow. You want to see the storekeepers prosper, and the bank bulge with deposits, and the town-people wearing glad clothes, and the farmers falling over each other to come in and buy new hay rakes and patent plows. Of course you do. Because, likewise of course, when things are that way you get your share of the general prosperity.

But what are you doing to contribute to the general prosperity? Are you patronizing home industries in preference to outside industries? Do you buy your clothes and groceries and garden tools and so forth here at home?

Well, you admit, you do send away for a good many things you happen to see advertised. Aha! And are they advertised in this paper? No, indeed—in the mail order journals and catalogues. Quite true. And you would just as soon buy them here if they were advertised by the local merchants, wouldn't you? Why, yes.

Well, now, there's a neat hint to some of our local storekeepers and dealers who perhaps haven't discovered why they are losing a lot of home trade which they ought to keep.

It's a wise business man that knows his own opportunities.

A HAPPY MOTHER

will see that her baby is properly cared for—to do this a good purgative is necessary. Many babies suffer from worms and their mothers don't know it. If your baby is feverish and doesn't sleep at nights, it is troubled with worms. White's Cream Vermifuge will clean out these worms in a mild pleasant way. Once tried always used. Give it a trial. Price 25 cents. Sold by Central Point Pharmacy.

Mail Service a Nuisance.

The recent change in the railroad mail service on the S. P. is a nuisance of the first magnitude. Formerly our principal mail from Portland was due to arrive here at 10:11 a. m. and citizens could get their mail before noon. Now the mail is carried on the "Flyer" due to reach here at 12:21 p. m. and which does not stop at this station. Mail leaving here for the south is taken aboard from the crane and any packages or bulky mail may not be placed in that sack. All such must lie over until the north bound evening train comes, when it is sent north to Grants Pass and there transferred to the next south bound train. If this is not a "peach" of a service we don't want a cent. It is probable the citizens will petition the postal department to remedy the matter and give the people of this place and all inland points served from this office, a little more decent service.

The bites and stings of insects, tan, sunburn, cuts, burns and bruises are relieved at once with Pinocaine Carbolic. Acts like a poultice, and draws out inflammation. Try it. Price 25c. Sold by Mary A. Mee.
