Chautauquans Made Money at Ashland

Portland Telegram.
The success of the 15th annual assembly of the Southern Oregon Chautauqua, which closed at Ashland the 20th ult., was quite gratifying, the receipts being considerably over \$2000 for season and admission tickets, leaving a surplus over fixed charges and current assembly expenses of several hundred dollars. Last year there was a deficiency carried forward to this year, which makes the financial results this year the more gratifying.

President G. F. Billings has been elected for another year, which will make his 13th year in charge of the assembly. The other officers chosen at the annual meeting were:

Vice-president—Rev. J. S. Smith.
Secretary—T. A. Hayes.
Treasurer—F. H. Carter.
H. C. Kinney, Grants Pass; Dr. J. W. Robinson, Jacksonville; Mrs. D. T. Lawton, Medford; Miss Bertha Rose, Phoenix; Mrs. T. W. Stephens, Klamath Falls; Mrs. A. T. Steiner, Roseburg; V. A. Dunlap, Talent; Rev. Mr. Sweeney, Central Point; Rev. W. J. O'Brien, Yreka; Mrs. W. A. Holmes, Hornbrook, vice-presidents.

D. R. Mills, J. K. VanSant, Elmer Patrick, G. W. Trefren, H. L. Whited, trustees.

P. Ritner, Baptist; Mrs. J. R. Wick, Presbyterian; Congregational, Rev. E. F. Green; Methodist, Mrs. J. L. Downing; Episcopal, Mrs. E. A. Sherwin; Christian, L. M. Caldwell; Catholic, Mrs. S. J. Evans; Dunkard, D. M. Brower; Christian Science, Mrs. A. R. Carter, denominational trustees.

The Ladies' Chautauqua Park Club, an organization allied to the Chautauqua and having for its object the beautification and improvement of the grounds

of the association, has chosen the following new officers: President, Mrs. J. K. VanSant; vice-president, Mrs. Robert Goodyear; secretary-treasurer, Mrs. Frank Dickey; manager, Mrs. E. A. Sherwin.

The following vice-presidents were elected from the different churches and societies: Presbyterian, Mrs. H. E. Badger; Methodist, Mrs. G. F. Billings; Congregational, Mrs. D. R. Mills; Baptist, Mrs. S. Satterfield; Episcopal, Mrs. E. A. Sherwin; Christian Science, Mrs. B. Beach; Spiritualist, Mrs. H. C. McNeill; W. R. C., Mrs. E. A. Smith; O. E. S., Mrs. J. M. McCall; Rebekahs, Mrs. J. R. Casey; Sunshine Society, Mrs. E. C. Gard.

Dr. E. L. House, formerly of Portland and now of Spokane, who conducted classes in physical culture as well as in Bible study at the Chautauqua, aroused great enthusiasm among young and old Chautauquans in his physical culture work, and as a result a club was organized to be known as the "Hundred Year Club," which will encourage individual treatment by weekly or monthly instruction or exhibition meetings. The officers of the club are: President, Rev. Ward McHenry; vice-president, Mrs. W. O. Dix; secretary, Mrs. A. C. Joy; treasurer, Rev. E. F. Green; physical director for men, A. C. Joy; for the women, Mrs. A. C. Joy.

Pernoll Makes Good.

Jud Pernoll, the well-known baseball pitcher, who has been playing with the Grants Pass team for several years, has finally been called to Portland to take a place on the Rose city's league team and one day last week tried out in a game with Los Angeles, when he made good with a vengeance. Pernoll fanned six of the Angels crack batsmen and won the game in a walk. Manager McCready did not allow the new man to finish the game, however, and at the end of the sixth inning put Hartman in the box, but Pernoll had the game won at that point. Jackson County and all Southern Oregon will watch this son with interest and will fully expect to see him keep up the splendid record he has thus early established for himself among crack ball players.

Timber Land Act June 3, 1878.—NOTICE FOR PUBLICATION.

UNITED STATES LAND OFFICE,
Roseburg, Oregon, May 4, 1907.

Notice is hereby given that in compliance with the provisions of the act of Congress of June 3, 1878, entitled "An act for the sale of timber lands in the States of California, Oregon, Nevada, and Washington Territory," as extended to all the Public Land States by act of August 4, 1892, Clara M. Beall, of Central Point, county of Jackson, State of Oregon, has this day filed in this office her sworn statement, No. 8106, for the purchase of the W¹ SE¹, E¹ SW¹, of Section No. 7, in Township No. 32 South, Range No. 2 East, and will offer proof to show that the land sought is more valuable for its timber or stone than for agricultural purposes, and to establish her claim to said land before A. S. Bliton, U. S. Commissioner, at his office, in Medford, Oregon, on FRIDAY, the 2nd day of AUGUST, 1907. She names as witnesses: Fredrick Surgen, of Trail, Oregon; Ida Sturge, of Trail, Oregon; Henry Morgan, of Trail, Oregon; W. W. Willits, of Persim, Oregon. Any and all persons claiming adversely the above described lands are requested to file their claims in this office on or before said 2nd day of August, 1907. BENJAMIN L. EDDY, Register.

The Ball Game.

The local ball team went up against an aggregation of more or less metropolitan players from Gold Hill, Jacksonville and other suburban points Sunday on the local diamond and won in a walk. Gold Hill had the erstwhile invincible battery from Jacksonville, McIntyre and "Curley" Wilson, and when "Mac" got tired "Chuck" Wilcox, Jacktown's former league twirler, was on hand to take his place in the box. "Chuck" has lost none of his old-time speed, but his curves didn't seem to worry the apple pickers much, for they found him often enough to keep the score soaring away above the clouds.

The locals were also shy their regular pitcher, and a new man, Shaft, went in the box for a few innings and made good. Then "Brick" Peart took that big, bland smile into the box and ran such a "sandy" with it on the aggregation of gold diggers that they couldn't touch him only with a bunt and he was always Johnny-on-the-spot for the bunts and the batter was invariably "out on first."

O. B. Nash, a former league player from the middle west, umpired the game and showed that he understood the game, as well as that he knew how to stand pat on a decision. He made one mistake in favor of the home team, but it was doubtless an honest mistake and all the howling on earth made no difference. The only thing an umpire can do is to stay with his decisions, right or wrong. The umpire given to "double plays" is never a thing of beauty nor a joy forever.

The score is cut in two for the sake of brevity, 4 to 10 in favor of Central Point. If any of the fans want the rest of the score given we will reserve space for the other half next week.

There will be a game here Sunday between the Jacksonville second nine and the local regular team. This will undoubtedly be the best game seen on the Central Point diamond this season and all lovers of the national game should come out and see these two crack teams struggle for honors.

Chamberlain's Colic, Cholera and Diarrhoea Remedy, Better Than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. Today he is as healthy a child as parents could wish for."—MRS. B. J. JOHNSTON, Linton, Miss. For sale by Mary A. Mee.
