**"One Touch of Nature Makes the Whole World Kin."**

When a rooster finds a big flat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by Mary A. Mee.
