S. A. PATTERSON, PUBLISHER.

An independent local newspaper devoted to the interests of Central Point and the Rogue River Valley. Published Every Thursday. Subscription price, \$1.50 per year, in advance.

Entered as Second-class Matter, May 4, 1906, at the Post Office at Central Point, Oregon, under the Act of Congress of March 3, 1879.

EARTH IS HOLLOW, SAYS TEED.

A fellow by the name of Teed has developed a new idea, or rather an old one in a new garb. He thinks the earth is hollow and that the entrance is at the North Pole. But the question that is bothering him is how to get to the North Pole. Teed is not the only individual who has been bothering his head on this subject for the past century or more, but the most of his predecessors who have grown gray in trying to solve this complex problem and had no idea that when they reached the north axis of the earth they would find a great hole serving as an entrance to the interior of the whirling sphere.

According to an article in a recent number of the San Francisco Bulletin, Teed thinks the explorers of the past, by confining their attention to the rim of the earth, have been shrinking their duty. Teed doesn't propose to let error have its way any longer. To his mind humanity, as we know it, is but the "curse of society." Surface indications do not satisfy him; he wants to know the "real inside." Hence the organization of the Teed Hollow Earth Exploring Club, which is going to seek a side entrance where the North Pole is supposed to be just as soon as Professor Teed can raise the money to fit out an expedition.

It is an attractive theory—too bad it is a dream. Every day the need of a hollow earth becomes more apparent. Almost any millionaire will admit that the outside is getting overcrowded. What an advantage it would be to go inside instead of jumping off! Let us hope that if Mr. Teed doesn't find the hole he will bore one.—Eugene Guard.

Manager McCreddie, of the Beavers, is giving Henry Pernoll, the Southern Oregon boy pitcher, whom he hired last year, a "scandalous deal." Pernoll has proven since signing with Portland that he can make good every time he is given a show and it seems that McCreddie and his high toned (?) stars are jealous of the backwoods boy and determined to keep him down. Pernoll was "made" as a pitcher before McCreddie ever saw him and he has proved that more than once by not allowing Mac to undo him and make him over again as he played on the bench day after day. It isn't a square deal and every man in Southern Oregon who likes the game and who believes in justice and fair play resents the methods of the Portland magnate.

W. T. Grieve, the republican candidate for county assessor, was in town during the week. Mr. Grieve declares that, if elected, he will inaugurate some needed reforms in the assessor's office and that the people who pay the taxes will be considered in all things. His idea is that a certain amount of money must be raised every year for county purposes and that this should be done justly and fairly to every citizen. The approximate amount required can readily be ascertained in advance and the people have a right to know in advance on what basis the levy will be made.

Judging from some recent happenings, one might not suppose that Central Point has been good and "dry" for almost four years. The recorder's court docket Monday morning would

have done credit to a town in the cow countries in early days or to a Nevada mining camp.

Central Point is getting ready to grow some before the year is out. Fact is the town is growing pretty good right now and the indications are good for a lively Summer and Fall. Two thousand people within two years is the figure the town has set for herself.

Fruit lands are still advancing in value in the Rogue River valley and the end is not yet. This Spring is a good time to invest.

Observation Cars.

On and after November 15, 1907, the observation cars between Portland and Oakland California, on trains Nos. 15 and 16 will be carried through instead of being cut out, as heretofore, at Roseburg.

Southbound, under this new arrangement, passengers holding proper transportation and Pullman accommodations may occupy these cars on the night leaving Portland until reaching Eugene at 12:32 a. m.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Peppin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. ROSA POTTS, Birmingham, Ala. These tablets are for sale by Mary A. Mee.

Dr. E. Davis, Dentist.

will be in his Central Point office on the following dates: From Monday morning, May 11, to Saturday evening, May 16.

Watch for further announcements of later dates in these columns. 37tf

The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Mary A. Mee.

Methodist Church Services.

Preaching services every Sunday at 11 a. m. and every other Sunday evening at 7:30. Sunday School every Sunday morning at 10:00. Epworth League at 6:45 every Sunday evening. Junior Epworth League at 3 p. m. every Sunday. Prayer meeting every Thursday evening at 7:30.

Bad Attack of Dysentery Cured.

"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Woleath, Vt. For sale by Mary A. Mee.
