Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proved very successful and is constantly growing in favor.—ENNIS BROS. This remedy is for sale by Mary A. Mee.

Methodist Church Services.

Preaching services every Sunday at 11 a. m. and every other Sunday evening at 7:30
Sunday School every Sunday morning at 10:00
Epworth League at 6:45 every Sunday evening
Junior Epworth League at 3 p. m. every Sunday
Prayer meeting every Thursday evening at 7:30

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Mary A. Mee.

Ten Dollars Reward

for information leading to the recovery of a team of work horses, described as follows:

One light-brown horse, carries head high, collar mark, shod, weight about 1300. One dark-bay, brand half moon on left shoulder, small star on forehead, barefooted, weight about 1100, in good condition. J. A. LARSON,
Care Southern Oregon Supply Co.,

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Mary A. Mee.

Summer Excursion Rates to Newport.

To afford an opportunity to the people of this locality to visit the coast during the Summer months, the Southern Pacific Company will sell round trip excursion tickets from Central Point to Newport and Yaquina Bay points for \$10.00 for the round trip daily from June 1st to October 15th. These tickets are good for return passage for six months from date of sale. Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by Mary A. Mee.

New Clubbing Offer.

For a limited time we offer the Central Point Herald and the Thrice-a-Week World (New York) each one year for \$2.15. This means 208 papers at a cost of only a cent apiece.

Central Point is going to improve more during the present year than in any year in its past history. You will need the Herald to keep posted on what is doing at home.

A presidential election is coming in this year and you will need the Thrice-a-Week World to keep you posted on national affairs, especially regarding the political situation in New York. Better subscribe today.

A Good Stroke of Business.

The display of our sixteen warships could not have been needed to impress the thinking men of South America that the United States will be able when the time comes to uphold the Monroe doctrine. All the world knows that the position this country occupies among the powers today is not an accident and that what appears to be, simply because of its magnitude, perhaps, ostentatious greatness is not a sham. But the social visits between the personnel of the navy and the people of South American cities opens up another aspect of our relations with the Latin Americans. We have heretofore been almost industrial strangers to the people south of Mexico. Some of the European nations, notably Germany, have pressed their commercial interests while we slept. In Chile and Argentina the Germans in force are engaged in general trade and in banking, while in Brazil these people exert an important influence in governmental and trade affairs.

Now that the citizens of the big ports have seen our representatives on the social side it will be strange if they do not wish for a further acquaintance. Trade follows the handshake and the cordial greeting, for people live by buying and selling, and they always want something new. If this government is to protect the political interests of the South American states, this people should share equally at least in the trade of those states. The situation can be improved, and the time to act is while the people down there still cherish pleasant memories of the visits of our sailors.
