

**The School Commencement.**

Graduating exercises of the eighth and twelfth grades of the Central Point public schools were held in the opera house last Friday evening. The big building was packed to the doors, standing room being at a premium. The exercises were all of a high class and reflected credit on the pupils and teachers. Superintendent J. Percy Wells was present and addressed the class, offering the young people some excellent advice for their future guidance. The presentation of diplomas was made by Prof. J. P. Wells, County Superintendent, and the audience was dismissed with the benediction by Rev. K. H. Sickafoose.
