

SWIFT & COMPANY COMMENCE BUILDING.

Numerous Entertainments and General Activities Throughout Oregon

Portland, Ore., July 20, 1908. (Special Correspondence.) The Cortelyou Club of Brooklyn, N. Y., was represented in Portland Sunday by a delegation of one hundred and twenty-five of its members.

The Cherry Fair at Salem last week was a great success and many were present from Portland and other points.

A contract for \$75,000 for the construction of the foundation of the main building for Swift & Company, to be finished within ninety days, was let last Friday.

The Astoria Regatta, with thirty splendid aquatic events, is scheduled for August 27th, 28th and 29th, and the railroads have made a rate of a fare and a third for the roundtrip from all points in the state.

The Washington State Press Association enjoyed one of their best annual conventions at Vancouver during three days of last week. A trip up the Columbia River, a trolley ride to Portland and a banquet at Vancouver were among the features of entertainment.

Judge George T. Baldwin, Vice-president of the Oregon Development League, and Mr. W. O. Smith, editor of the Klamath Falls Evening Herald, were in Portland Saturday as a special committee from the Klamath Falls Chamber of Commerce to invite the Y. M. C. A. excursion party which goes to Crater Lake August 7th, to arrange their itinerary so as to include a visit to Klamath Falls.

The colonist rates from all points in the East to all points in Oregon commence September 1st and continue until October 31st. Every commercial organization and every citizen of Oregon should begin to make these rates the subject of every letter that goes out of the state. The fare is \$30 from Missouri River points, St. Paul, Duluth and Winnipeg; \$33 from St. Louis and \$38 from Chicago, with proportionate rates from every point in the United States.

No meeting was ever called in Oregon which has attracted the universal enthusiasm that has been created by the Oregon Good Roads Conference, which is to be held in the Convention Hall, 6th floor, of the Portland Commercial Club on Tuesday, August 11th. An effort will be made to call the meeting to order promptly at 9:30 A. M. so that there may be a morning, an afternoon and an evening session. The railroads have made a rate of a fare and a third for the round trip for this occasion. Delegations representing every grange, the commercial bodies and the different counties to be appointed by the county judges are already reporting that they will be present. Every editor in the state is a delegate at large, as is the mayor of every city, and every county commissioner. A program is being prepared, but every effort will be made to get rid of long winded speeches and to get down to actual work that will produce results.
